Asquith, 1968 **The Role and Function of Repentance in Luke-Acts** Guy D. Nave, 2002-01-01 This book explores the central function of the concept repentance in the narrative structure and implied social world of the Gospel of Luke and the Acts of the Apostles and provides an excellent synthesis and analysis of the usage of repent and repentance in Classical Hellenistic Hellenistic Jewish and early Christian literature Paperback edition is available from the Society of Biblical Literature www.sbl-site.org **12 Essential Skills for Great Preaching** Wayne McDill, 2006 In this newly expanded second edition of 12 Essential Skills for Great Preaching Dr Wayne McDill draws on decades of experience as a preacher and homiletics professor to inspire other preachers to live up to their God given potential Here are twelve proven ways to pack more content and effectiveness into every sermon covering all of the bases from general preparation to the end result of increasing each listener's faith Recent seminary graduates and seasoned pastors alike will identify skills that need personal improvement and McDill encourages them to strengthen such areas at their own pace and in whatever order they feel is best Every chapter in this new edition has been revised and updated Also included are additional worksheet helps and sermon examples The Four D's of Preaching Definitions Design Delivery Destination Donald Cantrell, **Preaching in an Age of Globalization** Eunjoo Mary Kim, 2010-01-01 There are many books on the market that address how culture race gender or economic status affect the way preachers preach and congregations hear sermons This is the first book to address preaching that promotes solidarity across these differences Preaching needs to be targeted to specific contexts But how can a preacher handle specific contexts when we live in a globalized world What does local context mean and who defines it Kim develops the concept of trans contextual preaching to show how preachers can respect diversity and global connections She develops a new theology of preaching examines the modes of biblical interpretation appropriate for trans contextual preaching and explores designs for sermons Sample sermons from the author provide excellent illustrations *Lectures on Preaching* Ezekiel Gilman Robinson, 1883 **Life and Sermons of Jonathan Allen** . . Abigail Ann Maxson Allen, 1894 *Historical Notices of Doncaster ... Reprinted from the "Doncaster Gazette," Etc* Charles William Hatfield, 1868 **Methodists' Plans. Plans of One Hundred and Sixty-six Sermons. With a Memoir of the Author** William Stevens (Wesleyan Minister.), 1870 **Sermons** William Lindsay ALEXANDER, 1875 **A Commentary on Ephesians** David Pawson, 2016-03-21 Unlike Paul's other letters this one is not addressed to particular churches or individuals with their own needs and problems even Ephesians is not in all the early copies It is a circular despatch covering general matters of belief chapters 1 3 and behaviour chapters 4 6 applicable to all churches and Christians everywhere It is one of the clearest

statements in the New Testament of God's purpose in saving us and is as practically challenging as it is spiritually inspiring. Perhaps that is why it is such a popular choice for preachers. *The Preachers' Monthly*, 1882. *The Preacher's monthly*. Vol.2-7; editor's ser., vol.1, no.1-6, 1882. *Nine Lectures on Preaching* R.
