Preaching James William R Baker, Tom Ellsworth, 2004-06-01 This volume of the popular Preaching Classic Texts series blends discerning exegesis with insightful sermons to inspire and equip ministers to preach from this delightfully refreshing New Testament book The book of James challenges readers to evaluate and deal with daily struggles in their lives as well as their attitudes toward God prayer sin their own words faith anger repentance unfair treatment the Lord's return healing and spiritual restoration James attempts to motivate people to grow in their faith so that they live it out in ways that rise above the behavior of others around them particularly focusing on control of anger and speech and to use their speech for the betterment of the community of believers With specific attention to the historical background of James within Jewish wisdom writings and its connection to the teachings of Jesus William Baker provides knowledgeable but nontechnical exegesis that clarifies contextual and lexical issues and helps readers to fully appreciate the message of the book of James Thomas Ellsworth adds insightful and challenging sermons that include classic and contemporary illustrations **The Classic Preacher of the English Church. McCabe, 2011-03-15 Volume 2 of Women in the Biblical World A Survey of Old and New Testament Perspectives encompasses the latest research in feminist biblical scholarship New angles of interpretation and fresh perspectives regarding often overlooked biblical women will be gained from the pages of this volume This volume focuses on such women as Tamar Deborah Manoah's wife Queen Vashti and Job's wife Attention is also given to socio historical backgrounds lurking behind the biblical text such as women in Greco Roman education and syncretism in Ephesus demonstrating how these backgrounds directly influenced the writings about women Some emphasis on contemporary application is also stressed regarding problematic passages such as 1 Corinthians 11:2-16 This multi faceted approach to women in the Bible will prove to be invigorating refreshing and enlightening for all to read **The Classic Works of James Stalker** James Stalker, 2024-06-23 We have collected these six books 1 The Four Men 2 The Life of Christ 3 Seven Deadly Sins 4 The Life of St Paul 5 The Trial and Death of Jesus Christ 6 The Preacher and His Models *Preaching and Paul's Letter to the Romans* Ronald J. Allen, 2025-07-10 Ronald J Allen argues that the apostle Paul wrote his letter to the Romans to address specifically the gentiles in the congregation in Rome Allen suggests that this was because the gentiles exhibited arrogant behavior towards Jewish members of the community thereby undermining a primary facet of the early church to witness to the community of love and mutual support that God seeks for all Allen shows readers how Paul points the gentiles

to the faithfulness of God who invites them to recognize and live according to the grace of God shown to them through Jesus Christ In this pastorally engaged work Allen not only provides historical commentary on Romans but also helps preachers and scholars make connections between arrogance and its destructiveness in communities today as well as inviting congregations to participate in the grace that makes possible a loving and mutually respectful community Joyce in the Belly of the Big Truck; Workbook Joyce A.
