Predatory Bender:

Precarity in Contemporary Literature and Culture Emily J. Hogg, Peter Simonsen, 2021-04-22 The contemporary moment is characterized by precarity an expanding and intensifying vulnerability conditioned by political and economic structures Using literary and cultural texts to develop a nuanced and critical exploration of the concept of precarity that emphasizes its contemporary manifestations while also attending to its historical roots and existential dimensions this book examines the vulnerabilities which characterize our anxious existence including unemployment environmental crisis temporary contracts and patterns of migration Broken down into three key themes of feelings bodies and time Precarity in Contemporary Literature and Culture asks whether precarity can be considered a new phenomenon explores the relationship between precarity and traditional class politics analyses precarity s global dimensions and reflects on the links between contemporary crisis and underlying existential human vulnerability With reference to a wide range of forms such as contemporary realist science fiction and modernist novels film theatre and the lyric poem this book goes beyond one national context to consider texts from the US UK Germany and South Africa Shelterforce ,2003 Credit and Consumer Society Dawn Burton, 2012-08-06 The language of credit and debt is almost ubiquitous in daily life In advanced modern societies financial institutions and other organizations have become increasingly active in lending money to consumers and consumers apparently more than willing to take advantage This groundbreaking new book offers an analysis of this important phenomenon arguing that we have entered an era in which credit and debt are sanctioned delivered and collected through new cultural and economic mechanisms Written in an accessible and straightforward style the book takes a multi disciplinary approach examining consumer credit and debt in both societal and economic contexts It explores key topics such as the historical context of credit and debt current theories of a consumer centred society the credit industry attempts at government regulation Credit and Consumer Society establishes the wider analysis of consumer credit and debt as a discipline in its own right It is important reading for students and researchers in business and management finance public policy and sociology as well as for policy makers and consumer groups working directly in this field **The Human Predator** Katherine Ramsland, 2013-02-05 When we think of serial killing we tend to think of it as a perversion of contemporary society The Human Predator makes an eye opening case for the existence of serial killers throughout time the motives and methods the societies that spawned them and the historical periods in which they lived and killed From Ancient Rome and the Dark Ages to the open roads of America from the exploits of French religious zealot Gilles de Rais to such high profile monsters as Jeffrey Dahmer and Aileen Wuornos Katherine Ramsland offers a complete chronological record of the serial killer phenomenon and the parallel development of psychology forensic science and FBI profiling in the serial killer s evolving manifestation throughout human history INCLUDES PHOTOGRAPHS **City Limits** ,2004 Independent Banker ,2004 **The Publishers Weekly** ,2004 **The International Directory of Little Magazines and Small**
