## Preface To Lukes Gospel:

**The Preface to Luke's Gospel** Loveday Alexander,2005-10-13 Completely re evaluates the background to and provenance of the preface to Luke s Gospel 2008, □□□□□□ □□□□□□ Does the Preface to Luke's Gospel Belong Also to the Acts? Lemuel Stoughton Potwin,1881 **Luke** Sharon H. Ringe,1995-01-01 The Gospel of Luke is arguably the most recognizable and beloved of the gospel writings It contains familiar stories such as the birth of Christ and the parables of the good Samaritan and the prodigal son The general familiarity with Luke however may impede a true sense of what this Gospel is about as a whole Ringe offers readers a thorough introduction to and a critical reading of Luke History, Biography, and the Genre of Luke-Acts Andrew W. Pitts,2019-07-15 Unlike contemporary literary linguistic configurations of genre current methodologies for the study of the Gospel genre are designed only to target genre similarities not genre differences This basic oversight results in the convoluted discussion we witness in Lukan genre study today Each recent treatment of the genre of Luke Acts represents a distinct effort to draw parallels between Luke Acts and a specific or multiple literary tradition s These studies all underestimate the role of literary divergence in genre analysis leveraging much if not all of their case on literary proximity This monograph will show how attention to literary divergence from a number of angles may bring resolution to the increasingly complex discussions of the genre s of Luke Acts *A Historical Introduction to the Study of the Books of the New Testament* George Salmon,1894 *Religious Experience and the Creation of Scripture* Mark Wreford,2021-01-28 This volume examines the reasons that prompted the New Testament writers to create the texts which would become the formation of the Christian religion exploring the possibility that certain religious experiences were understood as revelatory and consequently inspired the writing of texts which were seen as special from their inception Mark Wreford uses Luke Acts and Galatians as test cases within the New Testament reflecting both on the stated importance of religious experiences whether the author s own or others to the development of these texts and the status the texts claim for themselves Wreford suggests that Luke Acts offers a helpful example of the relationship between religious experience and the creation of Scripture as an extensive narrative which reflects on early Christian claims to Spirit inspired witness and which begins with an explicit authorial statement of purpose Similarly in Galatians Paul s autobiographical account of God s revelation of Christ to him is the foundation of a letter that is intended to play an authoritative role in shaping its addressees own faith and practice Wreford argues that religious experiences are presented as the driving force behind the creation of the texts examining how such religious experience links with notions of scripture and canonicity He then asserts that both Luke and Paul understood themselves to be creating new scriptural writings on the basis of their relationship to new religious experiences citing the experience and speech at Pentecost the inclusion of gentiles in the experience and Paul s own conversion experience as key elements behind the self understanding of these New Testament authors Luke 1:1-9:20, Volume 35A John Nolland,2018-04-24 The Word Biblical Commentary delivers the best in biblical scholarship from the

leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

**Das Lukasevangelium** Michael Wolter, 2008 English summary In this commentary Michael Wolter places Luke's story of Jesus in its cultural context and elaborates on its relationship to the early Jewish and the Graeco Roman environment He also focuses on the form critical and narratological

analysis of the individual narratives and in addition on the theological profile of Luke's gospel Luke narrates the story of Jesus as an integral part of the history of Israel and he shows that God himself is represented by Jesus authentically. The readers for whom this is intended are not a single community but all Christians of his own time and possibly also of future generations.

German description: Michael Wolter legt einen ausführlichen Kommentar zum dritten Evangelium vor, der in der Tradition des Handbuchs zum Neuen Testament steht. Er stellt die Jesusgeschichte des Lukas in ihren kulturellen Kontext und arbeitet ihre Beziehung zur jüdischen und griechisch-romischen Umwelt heraus. Ein Schwerpunkt liegt auf der formgeschichtlichen und narrativen Analyse der einzelnen Erzählungen. Über die rein philologische und traditionsgeschichtliche Untersuchung hinaus legt der Autor auch Wert darauf, das theologische Profil des Lukasevangeliums sichtbar zu machen. Demnach erzählt Lukas die Geschichte Jesu als ersten Teil eines Geschichtswerks; zu ihm gehört auch noch die Apostelgeschichte, die eine Epoche aus der Geschichte Israels darstellen will. In immer wieder neuen Anläufen macht er deutlich, dass Gott selbst es ist, der im Wirken Jesu an Israel zum Heil handelt und der durch Jesus in authentischer Weise repräsentiert wird. Gegen eine in der deutschen Lukasforschung lange vorherrschende Sichtweise zeigt die Kommentierung, dass es Lukas gelingt, die Geschichte Jesu vor einem Absinken in die Historie zu bewahren und im Glauben der Christen lebendig zu halten. Als Leser hat Lukas nicht eine bestimmte Gemeinde, sondern alle Christen seiner eigenen Zeit und möglicherweise auch die Christen zukünftiger Generationen im Blick. Lukas will ihnen erklären, wie es dazu kam, dass die Erfüllung der alttestamentlichen Verheißungen Gottes für Israel in einen Trennungsprozess mündete, der eine Teilung Israels in die christliche Kirche einerseits und das Judentum andererseits zur Folge hatte.
