- In order to place new coaches in the correct position, you must set your preferred placement.
- To set preferred placement, go to your “Previous Office View,” “Geneology,” and then “Preferred Placement.”
- Click on “Set Preferred Placement.”
- In the “Placement ID” spot, put the Coach ID Number of the person you want to place the new coach under, and then for “Position,” click either right or left.
- If you don’t know the Coach ID # of the last person on that leg, go up to “Graphical Genealogy” and then click either “Bottom Right” or “Bottom Left,” depending on which leg you’re placing the new coach on. There, you will see the last coach on that leg with their Coach ID Number.
