## **Prem Sadhana:**

*Remembering Baba* Rohini Roy, 2011-01-01 Rohini was barely in her teens when she lost her father and her hero Rahul Roy. He had been a wonderful father, husband, and an upright and renowned professional in the world of finance. Yet Rohini felt she knew little about him. She spoke to relatives, friends, and her father's colleagues to rediscover the man she called Baba. The best way to remember him, she felt, would be to write about him. Piecing together the public and the personal, the facts and the memories, Rohini Roy chronicles the life of her father from his humble roots in north Kolkata to his Welsh connection from his days at school to the lively debater in college, from his days as an accountant to becoming the youngest president of the Institute of Chartered Accountants of India, and finally from his days as a carefree young man to a sensitive and caring individual. Along the way lie snapshots of his life that at once surprise and charm the reader. *Baulsphere* Mimlu

Sen, 2012-02-22 Freewheeling Mimlu Sen lives in Paris where one day she witnesses an electrifying performance by three Bauls, mystic minstrels from Bengal who spin like pillars of dust. Their music inspires her to return to Calcutta and to go on an extraordinary journey with one of them, Paban Das Baul, from her respectable home in the city to his humble village and further on into the verdant Bengali countryside that is their common heritage. Paban takes Mimlu through the itinerant Baul's route from the festival at Kenduli with its marathon performances to tranquil Shantiniketan where Bauls frequently stop en route and disrupt quotidian life. Agrodwip, deep in the Vaishnava world, to Nabasana where mesmerizing guru Hari Goshain presides over Baul games and ultimately her initiation, and to Boral where she holds her own big Baul festival, a mahatsava. Along the way she encounters tantrics and tribals, exorcisms and witch sightings, catfish that climb trees and esoteric sexo-yogic secrets, and she falls in love. *Baulsphere* takes you into the heart of rural Bengal and into the fascinating world of the Bauls. Passionate, enthralling, and searingly lyrical, it is a stunning book. *City of Mirrors* Keith Cantú, Saymon

Zakaria, 2017-07-21 Carol Salomon dedicated over thirty years of her life to researching, translating, and annotating this compilation of songs by the Bengali poet and mystical philosopher Lalan Sai, popularly transliterated as Lalon, who lived in the village of Cheuriya in Bengal in the latter half of the nineteenth century. One major objective of his lyrical riddles was to challenge the restrictions of cultural, political, and sexual identity, and his songs accordingly express a longing to understand humanity, its duties, and its ultimate destiny. His songs also contain thinly veiled references to esoteric yogic practices, sadhana, including body-centered Hathayogic techniques that are related to those found in Buddhist Kaula, Natha, and Sufi medieval tantric literature. Dr. Salomon's translation of the work is the first dedicated English translation of Lalan's songs to closely follow the Bangla text with all of its dialectical variations and is here produced alongside the original text. Although her untimely death left her work unpublished, the editors have worked diligently to reconstruct her translations from her surviving printed and handwritten manuscripts. The result is a finished product that can finally share her groundbreaking scholarship on Baul traditions with the world. *The Devotional Poems of Mīrābāī* Mīrābāī, A. J. Alston, 1980-01-01 **The**

**Honey Gatherers** Mimlu Sen, 2010-05-06 Mimlu Sen is living a bohemian life in Paris when she witnesses an electrifying performance by three wandering minstrels from rural India. They wear flowing multicoloured robes and play frenetic rhythms on strange instruments made of wood and clay capturing the many moods of nature and passion. After her turbulent past including a year in a Calcutta jail, Mimlu instantly knows it is time to set off on the journey of her life. One of the minstrels Paban Das Baul is a gifted young musician with a growing international reputation. Mimlu defies prejudice to travel with him deep into the heart of Bengal, the rural hinterland behind Calcutta where few tourists ever go. In this fascinating and unusual book she describes how they make their way across country from shanty town to village, from monastery to festival, perched on the roofs of buses and squeezed inside trains, encountering tantrics and sages, exorcisms and witch sightings, catfish that climb trees and esoteric secrets, and fall in love. With Paban's encouragement, Mimlu too performs for alms, gathering honey in the traditional Baul way and is initiated into a hidden world of song, sensuality and adventure as wild and unpredictable as the landscape itself.

**Kaviraja-abhinandana-grantha**, 1967      *Bhakti and the Bhakti Movement* Krishna Sharma, 1987

Description: This book makes a total departure from some well established notions about bhakti and the Bhakti movement. It questions and rejects the current academic definition of bhakti and the portrayals of the Bhakti movement in the light of that definition. Trying to recapture the generic meaning of the term bhakti, the author postulates that bhakti by itself does not suggest any ideational or doctrinaire position. According to her, a restricted and erroneous definition of bhakti has served as the substratum for all theorisations about the Bhakti movement when taken as a whole. What is reckoned as the Bhakti movement, she states, is an amalgam of a number of devotional movements of a divergent nature. A monolithic view of these can be taken only if their common denominator, bhakti, is understood in its generic sense. Not otherwise. In short, the author has called into question the whole conceptual framework and the basic terms of reference used hitherto for the study of bhakti and the Bhakti movement. This is significant since they have had the sanction of more than one hundred years of scholarship and have not been questioned till now. She has done so on the strength of her being able to trace back the origins of the errors she has underlined. The author has tried to establish the fact that the accepted academic definition of bhakti is a modern construction and that it was artificially formulated by certain Western Indologists of the nineteenth century with the aid of criteria which had no relevance in the context of Hinduism. The process of its formulation has been examined historiographically in this critique to show how it had gradually taken shape between 1846 and 1909. The reasons for its subsequent incorporation in

modern Indian scholarship have also been made clear Adopting an interdisciplinary approach in this book Dr Sharma has grappled with many vital issues related to the Bhakti theme It is hoped that this erudite work would serve as a landmark in the study of bhakti and the Bhakti movement
