Rape Of The Nation And The Hymen Fantasy:

The Rape of the Nation and the Hymen Fantasy Mizuho Terasawa, 2003-06-18 The Rape of the Nation and the Hymen Fantasy demonstrates how William Faulkner's fictional works normally considered extremely complex and incomprehensible can be thoroughly understood and explicated The volume urges scholars of Faulkner and literature in general to liberate themselves from ideological bondage

William Faulkner John E. Bassett, 2009-05-22 Considered one of the great American authors of the 20th century William Faulkner 1897-1962 produced such enduring novels as *The Sound and the Fury* *Light in August* and *As I Lay Dying* as well as many short stories His works continue to be a source of interest to scholars and students of literature and the immense amount of criticism about the Nobel prize winner continues to grow Following his book *Faulkner in the Eighties* Scarecrow 1991 and two previous volumes published in 1972 and 1983 John E. Bassett provides a comprehensive annotated listing of commentary in English on William Faulkner since the late 1980s This volume dedicates its sections to book length studies of Faulkner commentaries on individual novels and short works criticism covering multiple works biographical and bibliographical sources and other materials such as book reviews doctoral dissertations and brief commentaries This bibliography provides an organized and accessible list of all significant recent commentary on Faulkner and the annotations direct readers to those materials of most interest to them The information contained in this volume is beneficial for scholars and students of this author but also general readers of fiction who have a special interest in Faulkner
