Education, Humanities, and Social Science (ICEHoS 2025) - Japan Series Agus Hendriyanto, Samsul Pahmi, Lukman Hakim Muhaimin, Muhammad Putra Sani Hattamurrahman, 2025-07-26 This is an open access book We are pleased to invite

you to the 5th International Conference on Education Humanities and Social Science ICEHoS scheduled to take place from April 22-26, 2025 in Fukushima, Japan. The conference is proudly hosted by Nusa Putra University in collaboration with the University of Aizu as Co-Host. ICEHoS is an annual conference regularly organized by NPU, bringing together thought leaders, researchers, and practitioners from around the world. The conference will be held face-to-face. However, there is also the option of online participation. Participants who prefer to present online must select the virtual presentation option during registration. This conference is part of the ETLTC Series and, after a rigorous peer review process, all accepted English papers will be recommended for submission to Scopus-indexed proceedings. Please note that while the organizing committee facilitates the recommendation, the final decision on publication rests with the publisher. This year's conference theme is AI-Driven Education, Philosophical Foundations, Digital Literacy, and the Future of Learning. This theme reflects the profound impact of Artificial Intelligence (AI) and digital literacy on education and invites a rethinking of traditional concepts of knowledge and learning. We highly value your prospective contributions in these areas. Submissions will be carefully reviewed by our Scientific Committee, and those accepted for presentation will also be published in the conference proceedings. We look forward to creating an environment where you can share your expertise, experiences, and resources with fellow colleagues.

Neuro-Linguistic Programming (NLP) is the science of excellence. In this important book, List 3 Dressage Judge and NLP Master Practitioner Wendy Jago shows riders for the first time how NLP tools can help improve rapport between rider and horse, ensure that the horse is really getting the message the rider intends, improve riders' body positioning and clarify their muscular language, transform their problems into recipes for success, and become relaxed and confident even in competition. NLP explains the essentials of great communication, and great riding is great communication. There is clear and practical help here for every rider and every horse, whatever their level or goals. Illustrated by photographs, line drawings, practical exercises, and case studies, this book will show you how to create the solutions to your own individual problems.
