Government Accountability Office (,2013-07 Pursuant to a congressional request GAO reviewed U S participation in the Multinational Force and Observers MFO focusing on 1 U S contributions to MFO and measures taken to reduce MFO costs 2 the operational impacts of U S participation in MFO 3 the Department of State s oversight of U S participation in MFO and 4 views of MFO performance and lessons learned GAO found that 1 the United States provides one third of MFO operating expenses and the largest military contingent 2 while U S annual assessments of MFO operating costs have steadily declined since 1989 the Department of Defense s DOD costs have increased mainly due to salary increases 3 Army operations have been impacted by the cumulative effects of DOD contingency efforts but opportunities may exist to reduce the impact by reducing the number of logistical troops and using reserve forces 4 despite MFO operational success and its ability to reduce certain costs State needs to improve its oversight of U S participation in MFO because of inadequate internal controls and auditing procedures and the quality of its reporting to Congress and 5 State and international officials view MFO as an operationally effective peacekeeping operation that has helped sustain peace between Egypt and Israel since 1982 while DOD views MFO as a limited operation that is not applicable to more hostile peacekeeping environments **Peacekeeping** United States. Peacekeepers and Their Wives David R. Segal,Mady Wechsler Segal,1993-10-30 David and Mady Segal analyze the adaptation of American soldiers assigned to the Multinational Force and Observers MFO in the Sinai Desert in support of the Camp David Accords in the context of the evolution of multinational peacekeeping forces as mechanisms for achieving international security The reactions of soldiers and their wives to the peacekeeping assignment are considered from the perspective of the social construction of reality in which the role of the military has been defined as war fighting The press has ignored peacekeeping until very recently and it falls to military organizations to soldiers and their families to make sense of the mission Lessons learned from the Sinai MFO experience should be used to help U S troops better prepare for their increasing role in multinational peacekeeping *The Middle East, Abstracts and Index* ,2001
