The Relationship
Between Sex and
Spiritual Development

*Sexual power releases creative energy,
and it is this developed creative energy that enables
us to exercise the will—that is, to "do"—in
Gurdjieff's sense of the word.*

Sex The Relationship Between Sex And Spiritual Development:

Sex John Godolphin Bennett, 1978 A discussion of sex and its place on the spiritual path The author addresses issues including the connection between sex and spirituality the effects men and women have on each other sexually and how sex affects creativity

Sex J. G. Bennett, 1981-05-01 A discussion of sex and its place on the spiritual path The author addresses issues including the connection between sex and spirituality the effects men and women have on each other sexually and how sex affects creativity

Sex and the Sacred Daniel A Helminiak, 2012-12-06 A down to earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God Dr Daniel Helminiak author of the best selling What the Bible Really Says about Homosexuality looks at the relationship between sexuality and spirituality first from a humanistic perspective and then a more familiar Christian point of view In particular he encourages LGBTI people to reclaim their spiritual heritage without apology This unique book emphasizes spiritual commitment as an essential facet of LGBTI queer consciousness and addresses such burning themes as coming out the importance of self acceptance gay marriage gay bashing and the ethics of gay sex Sex and the Sacred combines a psychological approach to spirituality with common sense and compassion inspiring a break from moralistic religion and an understanding of what true spirituality means The book applies this understanding to Christian topics such as the Bible Fundamentalism and the future of Christianity and shows how coming out was an issue for Jesus how homosexual experience relates to the Christian Trinity and how Western Civilization became so sex negative Sex and the Sacred presents in the end a radical vision of Christianity open to all people Religious leaders of all denominations educators counselors members of the gay lesbian bisexual transgender community non religious spiritual seekers and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting Sex and the Sacred examines the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sexqueer and otherwise homosexuality in Catholic teaching and practice sexual ethics without religion a vision for a renewed Christianity within a global community

Sex and Spiritual Development John Godolphin Bennett, 2012-04-02 Compiled from conversations between John J G Bennett and his students at the International Academy for Continuous Education in England from 1971 to 1974 Next to survival sex is one of the most powerful forces in our lives yet many people don t understand it It is used for procreation and for pleasure but it also has an impact on personal transformation In this lucid exposition JG Bennett deals with questions that are being asked by spiritual seekers and provides answers to the following What effects can men and women have on each other because of sexual relationship Is there any connection between sexuality and spirituality Are there essential differences not just physical ones between men and women What can sexual activity do for a relationship in terms of spiritual unity Should sexual activity be

regulated when a couple aspires to develop spiritually This edition also contains an in depth analysis of sex energy in its new foreword in 2006 by Anthony Blake **Sexuality and New Religious Movements** J. Lewis,2016-01-12 Issues relating to sexuality eroticism and gender are often connected to religious beliefs and practices but also to prejudices against and fear of religious groups that adopt alternative approaches to sexuality This is especially apparent in connection with new religious movements which many times find themselves accused by the media and anti cultists of promoting illicit and controversial views on sexuality This anthology aims to critically investigate the role of sexuality in a number of new religious movements including Mormon fundamentalist communities the Branch Davidians the Osho movement the Rael movement contemporary Wicca and Satanism in addition to the teachings of Adidam and Gurdjieff on sexuality **The Origins and Role of Same-Sex Relations in Human Societies** James Neill,2009-01-14 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex **From Generation to Regeneration ; The Sex Question and the Money Power ; and The Tree of Life Between Two Thieves** Lois Waisbrooker,1890 *Listening to Sexual Minorities* Mark A. Yarhouse,Janet B. Dean,Stephen P. Stratton,Michael Lastoria,2018-04-24 For sexual minority students on Christian college campuses faith and sexuality can feel in acute tension Yarhouse Dean Stratton and Lastoria draw on their decades of experience to bring us a longitudinal study into what sexual minorities experience hope for and benefit from Rich with both quantitative and qualitative data here is an unprecedented opportunity to listen to sexual minorities in their own words **Sex & Spiritual Development** Vethathiri,1982 **Emerging Adults' Religiousness and Spirituality** Carolyn McNamara Barry Ph.D.,Mona M. Abo-Zena Ph.D.,2014-03-04 Although most American children are raised in a faith tradition by the time they reach their early twenties their outward religious expression declines significantly with many leaving the faith in which they were raised in favor of another faith or none at all though many still claim that religion and spirituality are important Reasons for this

change in religious behavior include adolescents forging their own identities increased immersion in contexts beyond the family and exposure to media As emerging adults encounter events such as attending university breaking up with a romantic partner and traveling they are likely to make sense out of them a process known as meaning making Thus coming into one's own takes on great prominence during the years of emerging adulthood 18-29 making it ripe for religious and spiritual development Emerging Adults Religiousness and Spirituality seeks to understand how the developmental process of meaning making encompasses American emerging adults religiousness and spirituality This volume does not focus on disentangling religion and spirituality conceptually but rather emphasizes their centrality in the psychology of human development It highlights the range of experiences and perspectives of emerging adults in the U.S. grounded in social context social position and religious or spiritual identification Chapters are written by an interdisciplinary group of authors and explore topics such as the benefits and detriments of religiousness and spirituality to emerging adults contexts and socializing agents such as parents and peers the media religious communities and universities and variations of religiousness and spirituality concerning gender sexuality culture and social position Using a developmental lens and focusing on a significant period within the lifespan this volume embodies the key aspects of a developmental perspective by highlighting specific domains of development while considering themes of continuity and discontinuity across the lifespan

The Sexual Life of Our Time in Its Relation to Modern Civilization Iwan Bloch, 1912

Sex and the Soul Donna Freitas, 2008-04-11 Based on dozens of face to face interviews Sex and the Soul explores the sexual and spiritual lives of today's college students Donna Freitas crisscrossed the country visiting a range of America's colleges and universities from public to private Catholic to evangelical to find out what students had to say about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face Indeed the book uncovers aspects of college life that may unsettle some readers especially parents Many campuses for instance are dominated by the pervasiveness of hook up culture Moreover many students see little connection between sex and religion even as they seek one between sex and spirituality Indeed these observations hold true even at Catholic schools Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex But Freitas's research also reveals that even at secular schools students are not comfortable with a culture of casual sex and that they do want spirituality at least if not also religion to speak about what they should do and who they should try to be not just what they should avoid doing Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics in a book that will be of great interest to students parents clergy teachers and anyone who wants to know what's happening on today's college campuses Named one of the Best Religion Books of 2008 by Publishers Weekly Fascinating disturbing engaging persuasive Freitas's work chronicles a poignant spiritual loss that students themselves articulate and mourn Publishers Weekly Candid disturbing yet ultimately hopeful Throughout this beautifully written book Freitas presents students feelings

and experiences in an unflinching yet compassionate way You care about these young people and their struggles This book is a great service to students parents and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives Christian Science Monitor *Sexuality and Spiritual Growth* Joan H. Timmerman,1992 That the title of this book will attract some startle others and shock many is the best proof of how important a work Joan Timmerman has written It is a major exploration of sexuality as an embodiment of Christian values from the bestselling author of *Mardi Gras Syndrome* **The sexual life of our time: a complete encyclopaedia of the sexual** Iwan Bloch,1937 **Studies in the Psychology of Sex: Sex in relation to society** Havelock Ellis,1910 *After the Strike of Sex* George Noyes Miller,1896 **Sexuality, Religion, and Magic** Michael A. Kőszegi,1994 The Mythology of Sex Sarah Denning,1996 A study examining the way in which sexual attitudes and behaviour reflect the underlying values of the time It embraces cultural attitudes from ancient civilizations to the present day and looks at a range of topical issues and concerns including prevailing attitudes towards masculine and feminine values *Sex and the Spiritual Path* Herbert B. Puryear,1980 Does physical desire affect my spiritual development What is normal sex Is sex outside of marriage a sin In this enlightening book clinical psychologist Herbert Puryear explores the subject of sexuality and spirituality based on the work of renowned American psychic Edgar Cayce This guide provides excerpts from the Cayce readings to reveal how sex can be one of the most beautiful modes of expression of love that approaches the Divine and much more including The relationship between sexuality and creativity The body beautiful as a temple The difference between creative sexuality and selfish sexuality The role of sexuality in your spiritual path Birth control Separation and divorce This thought provoking book sheds new light on the relationship between the body and the soul and shows how we can develop a healthier and more spiritually based understanding of sex through the work of renowned seer Edgar Cayce *Studies in the psychology of sex. v.6, 1911* Havelock Ellis,1910
