**Melissa Gira Grant**

## **Sex Work Writings By Women In The Sex Industry:**

Sex Work Frédérique Delacoste, Priscilla Alexander, 1998 A landmark collection of writings by street prostitutes exotic dancers nude models escorts porn stars and massage parlor workers Since publication in 1987 SEX WORK has generated much discussion and has changed the language we use to talk about sex for money      **Sex Work** Frédérique Delacoste, Priscilla Alexander, 1987      *Prostitution, Trafficking and Traumatic Stress* Melissa Farley, 2003 Prostitution Trafficking and Traumatic Stress documents the violence that runs like a constant thread throughout all types of prostitution including escort brothel trafficking strip club and street prostitution The book presents clinical examples analysis and original research counteracting common myths about the harmlessness of prostitution It explores the connections between prostitution incest sexual harassment rape and battering looks at peer support programs for women escaping prostitution examines clinical symptoms common among prostitutes and much more      *Women and Work* Paula Dubeck, Kathryn M. Borman, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company      *Sex Work Matters* Melissa Hope Ditmore, Antonia Levy, Alys Willman, 2010-04-22 Sex Work Matters brings together sex workers scholars and activists to present pioneering essays on the economics and sociology of sex work From insights by sex workers on how they handle money intimate relationships and daily harassment by the police to the experience of male and transgender sex work this fascinating and original book offers new theoretical frameworks for understanding the sex industry The result is a vital new contribution to sex worker rights that explores the topic in new ways especially its cultural economic and political dimensions Readers weary of the sensational and often salacious treatment of the sex industry in the media and literature will find Sex Work Matters refreshing      *Sex Workers and Their Clients* Jerald L. Mosley, 2020-12-15 This book draws on the voices of sex workers and their clients to critically assess the criminalization of prostitution in favour of decriminalization It does so by contrasting their voices with the claims made by prohibitionists those advocating the prohibition of prostitution or at least the prohibition of the purchase of sexual services and notes scholarly research that gives context to those accounts and claims Each chapter is dedicated to a particular issue which is given currency in academic and public debates on sex work The first part of each chapter reviews the state of research and publicly aired contentions and the second part compares sex workers voices with claims from prohibitionists It highlights the gap between what many sex workers have to say about themselves and what theorizing prohibitionists say about all prostitution It argues that there is often a striking contrast in attitude perspective interpretation and valuation This books speaks primarily to prohibitionist thinking and sex work stereotyping and secondarily to the debate on decriminalization of sex work      Encyclopedia of Prostitution and Sex Work Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession Isn't it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide

ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women s studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn t Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution

**Women and Sex Work in Cambodia** Larissa Sandy, 2014-08-27 Prostitution is strongly embedded in local cultural practices in Cambodia Based on extensive original research this book explores the nature of prostitution in Cambodia providing explanations of why the phenomenon is so widely tolerated It outlines the background of the French colonial period with its filles malades considers the contemporary legal framework and analyses the motivations for sex work examining in particular how women become locked into debt bondage Overall the book provides significant contributions to wider debates about sex work sex trafficking and the constrained nature of women s choices

**A Moral Defense of Prostitution** Rob Lovering, 2021-07-09 Is prostitution immoral In this book Rob Lovering argues that it is not Offering a careful and thorough critique of the many twenty to be exact arguments for prostitution s immorality Lovering leaves no claim unchallenged Drawing on the relevant literature along with his own creative thinking Lovering offers a clear and reasoned moral defense of the world s oldest profession Lovering demonstrates convincingly on both consequentialist and nonconsequentialist grounds that there is nothing immoral about prostitution between consenting adults The legal implications of this view are also brought to bear on the current discourse surrounding this controversial topic

*About Criminals* Mark Pogrebin, 2011-12-09 This book presents students with recent and important research on criminal behavior The articles in this anthology all based on actual field studies provide the reader with a realistic portrayal of what actual offenders say about crime and their participation in it The offenders voices along with the researchers analyses offer students a real life view of what how and why various criminals

behave the way they do      Tourism Management Chris Ryan, Stephen Page, 2012-08-21 One of the leading texts in the field Tourism Management is the ideal introduction to the fundamentals of tourism as you study for a degree diploma or single module in the subject It is written in an engaging style that assumes no prior knowledge of tourism and builds up your understanding as you progress through this wide ranging global review of the principles of managing tourism It traces the evolution and future development of tourism and the challenges facing tourism managers in this fast growing sector of the world economy This book is highly illustrated with diagrams and colour images and contains short case studies of contemporary themes of interest as well as new data and statistics      **Playing the Whore** Melissa Gira Grant, 2014-03-11

The sex industry is an endless source of prurient drama for the mainstream media Recent years have seen a panic over online red light districts which supposedly seduce vulnerable young women into a life of degradation and New York Times columnist Nicholas Kristof's live tweeting of a Cambodian brothel raid The current trend for writing about and describing actual experiences of sex work fuels a culture obsessed with the behaviour of sex workers Rarely do these fearful dispatches come from sex workers themselves and they never seem to deviate from the position that sex workers must be rescued from their condition and the industry simply abolished a position common among feminists and conservatives alike In *Playing the Whore* journalist Melissa Gira Grant turns these pieties on their head arguing for an overhaul in the way we think about sex work Based on ten years of writing and reporting on the sex trade and grounded in her experience as an organizer advocate and former sex worker *Playing the Whore* dismantles pervasive myths about sex work criticizes both conditions within the sex industry and its criminalization and argues that separating sex work from the legitimate economy only harms those who perform sexual labor In *Playing the Whore* sex workers demands too long relegated to the margins take center stage sex work is work and sex workers rights are human rights      **Sex Work** Colette Parent, Chris Bruckert, Patrice Corriveau, Maria Nengeh Mensah, Louise Toupin, 2013-09-18 In the early twentieth century abolitionists sought to stamp out sex work by penalizing all involved In the generation that followed neo abolitionists looked at the sex industry from a feminist perspective claiming that workers were victims caught in a patriarchal matrix Yet both agreed that sex work was a destructive and corrupting force that should be eliminated In this lucid and fearless volume five academics and activists convey their vision of prostitution as work albeit stigmatized and marginalized labour In chapters that consider the nature of sex work the legal framework that seeks to control the sex industry the historical debates over its existence the spectre of human trafficking and community based activism from within the industry the authors assert the central place of sex workers in discussions about their lives and work This book opposes discourses that position sex workers as victims without agency      Sex Work and the City Yasmina Katsulis, 2008 A gateway at the U S Mexico border Tijuana is a complex urban center with a sizeable population of sex workers An in depth case study of the trade *Sex Work and the City* is the first major ethnographic publication on contemporary prostitution in this locale providing a detailed analysis of how sex workers experiences and

practices are shaped by policing and regulation Contextualizing her research within the realm of occupational risk Yasmina Katsulis examines the experiences of a diverse range of sex workers in the region and explores the implications of prostitution particularly regarding the spheres of class hierarchies public health and other broad social effects Based on eighteen months of intensive fieldwork and nearly 400 interviews with sex workers customers city officials police local health providers and advocates *Sex Work and the City* describes the arenas of power and the potential for disenfranchisement created by municipal laws designed to regulate the trade Providing a detailed analysis of this subculture s significance within Tijuana and its implications for debates over legalization of vice elsewhere in the world Katsulis draws on powerful narratives as workers describe the risks of their world ranging from HIV AIDS and rape by police or customers to depression work related stress drug and alcohol addiction and social stigma Insightful and compelling *Sex Work and the City* captures the lives and deaths of a population whose industry has broad implications for contemporary society at large Prostitutes' Well-being and Risk Ine Vanwesenbeeck,1994 Onderzoek naar het welzijn en het beschermingsgedrag van prostitu es Verslag van twee empirische studies in Nederland waarin gegevens zijn verzameld bij in totaal 187 prostitu es en 91 klanten De twee afhankelijke variabelen worden bestudeerd vanuit een multi causaal theoretisch kader dat het mogelijk maakt te begrijpen onder welke condities prostitu es verschillen in de mate van welbevinden en hun beschermingsgedrag **Yale Journal of Law and Feminism** ,1989 **Prostitution and Pornography** Jessica Spector,2006 This collection of new and classic writings about the sex industry asks us to think about the differences between our society s treatment of prostitution and pornography while investigating how liberalism deals with the sex industry in general *Cahiers de la Femme* ,2002

**Sabotage in the American Workplace** Martin Sprouse,1992 A study of everyday employee resistance at work with first person accounts of sabotage illustrated and intermingled with related news clippings facts and quotes *Internet Sex Work* Teela Sanders,Jane Scoular,Rosie Campbell,Jane Pitcher,Stewart Cunningham,2017-09-18 This book takes readers behind the screen to uncover how digital technologies have affected the UK sex industry The authors use extensive new datasets to explore the working practices safety and regulation of the sex industry for female male and trans sex workers primarily working in the UK Insights are given as to how sex workers use the internet in their everyday working lives appropriating social media private online spaces and marketing strategies to manage their profiles businesses and careers Internet Sex Work also explores safety strategies in response to new forms of crimes experienced by sex workers as well as policing responses The book will be of interest to students and scholars across a range of social science disciplines including gender studies socio legal studies criminology and sociology
