## **Sexual Correctness The Gender Feminist Attack On Women:**

**Sexual Correctness** Wendy McElroy, 2001-06-15 As feminist and women positive ideas and ideals exploded in the 1960s and 1970s a sexual revolution was forged allowing women a variety of lifestyle choices Many current feminists called gender feminists by some too often are fighting to limit the sexual options of women They view women as victims of patriarchy whom must be protected from making incorrect sexual choices such as choosing to work in pornography or prostitution As a movement author McElroy believes feminism is in danger of drifting from sexual liberation to sexual correctness This work gives a critical overview of the ideological shift among many feminists The issues of sexual correctness are examined in detail showing how the changing ideology is destroying the principle of a woman's body a woman's right and endangering women's right to choose On each issue this work presents alternatives in the individualist traditions that defined the feminism movement for many years

Physical Violence against Women in Domestic Situations Jean-Djosir Djopkang, 2013-09-26 The question of physical violence against women in domestic situations is all about the overlooked or neglected societal problem whereas it causes some unimaginable harm to women It seems to be the unlawful practice that trespasses the law and goes unpunished in some societies While the defenders of human rights argue that violence against a human being for whatsoever reason and under whatsoever condition is a violation of a human right an assault a crime the domestic violence against women seems to slip easily through the net of that universally accepted convention law To state this in a clear language one can simply say that violence is an act that is undesirable and unwanted in human dealings be it outside or within the domestic settings Owing to the fact that the homes as a setting for familial living are hoped to be known for the perpetration and the manifestation of unconditional love among the family members presumably the place par excellence for human living how could someone explain the perpetration such an atrocious and abhorrent act be in these places Many explanatory hypotheses have been stated sexism kyriarchy But whatever the reason behind the phenomenon of domestic violence against women could be the truth of the matter reminds that physical violence in the homes is undesired and is an assault like any other form of violence it's dreadful and should be done away with It is disheartening and disgusting to observe that some women even up today are still living in fear under the perpetual threats of beats in a place that they dreamed and hoped to be the place par excellence for peace love and serenity If the Universal Declaration of human rights states that men and women are born equal in right and dignity this ideology and the likes are simply unjust and unfair Nevertheless if men and women of course are willing this situation can change and it has to change indeed The fight against physical domestic violence against women is never a fight of women against men it is rather a fight of all human beings against some tendencies and ideologies that hinder a peaceful and harmonious living together both in the homes and in the societies Therefore all the competent forces powers and organisations need to be mobilised to join together their efforts in order to conquer this unwanted but tolerated crime The relationship between men and women in the homes should not and cannot be

based on power control of the partner violence is simply an act that is uncalled for in human dealings Men and women need to be schooled both culturally and formally in that regard *Chinese-Western Intimacy and Marriage* Bo Qin,2014-02-21 In the era of the global village intercultural marriage between different races and nationalities is frequent The existence of intercultural marriages and intimacy between Chinese and Westerners is evident and expanding in societies throughout both China and the Western world Although marriage is a very private affair for the individuals who participate in it it also reflects and connects with many complex factors such as economic development culture differences political backgrounds and transition of traditions in both China and the Western world As a result an ordinary marriage between a Chinese person and a Westerner is actually an episode in a sociological grand narrative By employing a three dimensional multi level theoretical framework based on an integration of theories of migration sociology and gender and adopting a qualitative research paradigm this book aims to present a true picture of Chinese Western Intercultural Marriage with a focus on the Chinese perspective and the main body of this study combines three theoretical approaches in order to explore the intercultural marriage fully using a panoramic view By examining the history reality and the conflicts of Chinese Western intercultural marriage this books tries to find the connections between the micro private affairs and the macro national power and seeks the possibilities to construct the explanatory mechanism from macro reality nation state race to micro variables intercultural marriage It provides an academic perspective of producing the general knowledge on the basis of constructing a local knowledge In this way this study will provide more than an anecdotal description of Chinese Western Intercultural marriage but will present a profound analysis of the forces underpinning this cross cultural phenomenon Dr Qin Bo obtained his PhD in Sociology from the University College Cork National University of Ireland in 2012 He is a lecturer at the Party School of Sichuan Committee of the Communist Party of China in Chengdu and a Post doctoral Fellow of Fudan University in Shanghai

**Individualist Feminism of the Nineteenth Century** Wendy McElroy,2001-01-01 Feminism today has many definitions but to a large degree the movement has its roots in nineteenth century individualist feminism which was based on the theory that all humans should be treated as sovereign individuals regardless of gender race or religion This once shocking idea was championed by many individuals and publications now largely forgotten This unique work covers the history of the individualist feminism movement and of three prominent publications that rose in its defense *The Word Liberty* and *Lucifer the Light Bearer* Although these journals published some of the most important ideas on feminism anarchism and personal liberty they are often overlooked today Biographies and selections of writing from contributors to these magazines feature the remarkable women and men who laid many of the foundations for modern feminist thought Included among those profiled are Angela Heywood who first defended abortion based on woman s self ownership of her body and Lillian Harman who was jailed at the age of 16 for being married without state or church ceremonies These profiles and writings provide insight into the lives and work of these important but often neglected early feminists **Feminist Interpretations of Ayn**

DiCenzo, 2010-11-24 Highlighting the contributions of feminist media history to media studies and related disciplines this book focuses on feminist periodicals emerging from or reacting to the Edwardian suffrage campaign and situates them in the context of current debates about the public sphere social movements and media history      **Not in My Library!** Sanford Berman, 2013-07-30 Foreword by Mitch Freedman a reprinted Counterpoise interview and 45 of Sanford Berman s U L columns dealing with book burning genocide government secrecy and repression cataloging indexing classism self censorship and free speech for library staff et cetera Index by Chris Dodge      **Women Studies Abstracts** , 2004      **Human Sexuality Coursewise** Mahoney, Dan, 1999      **The Rainbow Cadenza** J. Neil Schulman, 1999-07 Set in a future world where the Earth has been remade into a paradise and humanity has been joined under a single popularly elected world government this 1984 Prometheus Award winning novel tells the story of Joan Darris a brilliant young artist in the medium of laser concerts Like the novels of Huxley Burgess and Rand The Rainbow

Cadenza uses black humor to reveal a fearsome future that ends with a ray of hope      **New Books on Women and Feminism** ,1996      **Encyclopedia of Feminist Literature** Mary Ellen Snodgrass,2014-05-14 An accessible one volume encyclopedia this addition to the Literary Movements series is a comprehensive reference guide to the history and development of feminist literature from early fairy tales to works by great women writers of today Hundred      *The Politics of American Feminism* James T. Bennett,2007-09-16 This work assesses with scholarly scrupulousness and irreverent wit the ways in which the American male is being blamed castigated slandered emasculated and just plain harassed for a multitude of crimes and sins because of a single trait maleness From cradle to grave public policy and the teachings of the groves of the academe are increasingly shaped by an anti male bias Chapters examine the ways in which American men and maleness are punished in childhood in school in history texts in language in the wallet in religion and even in recreation Although the book s tone is often light the subject is a serious one that the mainstream media often avoids The Politics of American Feminism debunks dated myths defends individual liberty against feminist assaults offers an impious take on the narrow focus of the women s movement and has as a central premise that not only are men essential to the health of the nation and the survival of the species but they also have a few salutary qualities as well      *Literatur in Wissenschaft und Unterricht* ,2008      *Today's Moral Issues* Daniel A. Bonevac,1999 This anthology of 88 readings explores the most pressing ethical issues of our time In addition to providing readings on contemporary issues the book lends historical perspective to current moral issues through its unique inclusion of classic selections by philosophers such as Mill Kant Locke and Rousseau

**Sind Frauen bessere Menschen?** Arne Hoffmann,2001      *Naguib Mahfouz* Pamela Allegretto-Diulio,2007 Generally regarded as modern Egypt s leading literary figure Naguib Mahfouz was the first Arabic language author awarded the Nobel Prize in literature Critics hail Mahfouz for his ability to capture the essence of Cairene culture and life This book illuminates how Naguib Mahfouz has successfully used the elements of daily life to capture the reality of his generation amidst the political upheaval caused in part by the British occupation of Egypt This study also goes beyond opening up the Egyptian world to the reader it is a careful analysis of the major novels of Mahfouz s career from an ambiguous feminist perspective The author selects the term ambiguous deliberately to signify the disparity between a Western and Islamic lens By employing this approach the author successfully shows how the characters are not only entrapped in cages of subservience but also cleverly reveals how the reader of Mahfouz s work is often entrapped in cages of misunderstanding As the first scholarly study on Mahfouz s work through a highly original interdisciplinary Western and Eastern feminist lens this book is a critical addition for collections in Literature Middle Eastern Studies and Women s Studies      **Configuring Gender** Barbara Marshall,2000-03 This brief book focuses on how the idea of gender has developed both in scholarship and in the public mind
