## **Sexual Revolution:**

*Sex Before the Sexual Revolution* Simon Szreter, Kate Fisher, 2010-10-14 What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s who were often pitied by later generations as repressed unfulfilled and full of moral anxiety This book provides the first rounded first hand account of sexuality in marriage in the early and mid twentieth century These award winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition Based on vivid compelling and frank testimonies from a socially and geographically diverse range of individuals the book explores a spectrum of sexual experiences from learning about sex and sexual practices in courtship to attitudes to the body marital ideals and birth control It demonstrates that while the era s emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives The Conclusion of the Sexual Revolution Wylark

Day, 2004-05-18 This is a book about sexual morality Not a morality based on shame or tradition however but one based on combining the most up to date findings of sex researchers with the most ancient teachings of the Judeo Christian Bible In this book you will find that Private masturbation and public nudity are the two Pillars upon which all healthy attitudes towards Sex must be based Faithful heterosexual monogamy is God s Plan for Sex but a minority who deviate from this Plan such as homosexuals are nonetheless necessary for a whole society And that Virgin Sex for young adults which means enjoying sex play while rejecting intercourse is the Key to true romantic passion equality between the sexes and even to the very Future of Humanity At last A book that tells the truth about Sex and God **Die sexual-revolution** Wilhelm Heinrich Dreuw, Moritz Schönmann, 1921

**Social Psychology and Human Sexuality** Roy F. Baumeister, 2001 Presents a selected group of influential articles dealing specifically with the social aspects of sexuality topics covered include differences between male and female sexuality virginity harassment rape and coercion and jealousy **The Case Against the Sexual Revolution**

Louise Perry, 2022-05-16 Ditching the stuffy hang ups and benighted sexual traditionalism of the past is an unambiguously positive thing The sexual revolution has liberated us to enjoy a heady mixture of erotic freedom and personal autonomy Right Wrong argues Louise Perry in her provocative new book Although it would be neither possible nor desirable to turn the clock back to a world of pre 60s sexual mores she argues that the amoral libertinism and callous disenchantment of liberal feminism and our contemporary hypersexualised culture represent more loss than gain The main winners from a world of rough sex hook up culture and ubiquitous porn where anything goes and only consent matters are a tiny minority of high status men not the women forced to accommodate the excesses of male lust While dispensing sage advice to the generations paying the price for these excesses she makes a passionate case for a new sexual culture built around dignity virtue and restraint This counter cultural polemic from one of the most exciting young voices in contemporary feminism should be read by all men and women uneasy about the mindless orthodoxies of our ultra liberal era Also available as an audiobook narrated
