**Catherine Butler, Amanda
O'Donovan, Elizabeth Shaw**

Sexual Health Foundations For Practice:

Sexual Health Sue McAndrew, 2000 The Sexual Health of Men Laura Serrant-Green, John McLuskey, 2008 Explores constraints and opportunities for addressing and promoting the sexual health of men This title redresses the balance between society's traditional views and expectations of men's sexual health compared to the sexual health of women It considers various aspects of sexual health including historic developments and social considerations Sex, Sexuality and Therapeutic Practice Catherine Butler, Amanda O'Donovan, Elizabeth Shaw, 2009-10-26 This evidence based manual examines issues of sexuality in a positive and affirming light and considers how sexuality related issues can be introduced into therapy and training It will support the practicing therapist as well as those in training Sexual Issues in Social Work Steve Myers, Judith Milner, 2007 Social workers and social care practitioners are increasingly required to engage directly with matters relating to sex and sexuality in their everyday work Policies and guidance on how to approach these sensitive areas are emerging This book provides busy practitioners with a ready reference for the day to day problems that they are likely to face in key areas of engagement such as promoting sexual health preventing sexual violence working with those subjected to sexual abuse and engaging with the complexities of contemporary sexualities The book reviews current policy in each area outlines the relevant guidance and provides links to further reading and other helpful sources of information Concise but comprehensive practical and accessible the book is realistic in terms of what services practitioners can provide Sexual issues in social work is essential reading for anyone who works with others where sex and sexuality have become part of the practice concerns *The Routledge Companion to Media, Sex and Sexuality* Clarissa Smith, Feona Attwood, 2017-08-09 The Routledge Companion to Media Sex and Sexuality is a vibrant and authoritative exploration of the ways in which sex and sexualities are mediated in modern media and everyday life The 40 chapters in this volume offer a snapshot of the remarkable diversification of approaches and research within the field bringing together a wide range of scholars and researchers from around the world and from different disciplinary backgrounds including cultural studies education history media studies sexuality studies and sociology The volume presents a broad array of global and transnational issues and intersectional perspectives as authors address a series of important questions that have consequences for current and future thinking in the field Topics explored include post feminism masculinities media industries queer identities video games media activism music videos sexualisation celebrities sport sex advice books pornography and erotica and social and mobile media The Routledge Companion to Media Sex and Sexuality is an essential guide to the central ideas concepts and debates currently shaping research in mediated sexualities and the connections between conceptions of sexual identity bodies and media technologies *Treating Out of Control Sexual Behavior* Douglas Braun-Harvey, Michael A. Vigorito, 2015-11-05 Out of control sexual behavior referred to variously as sex addiction sexual compulsivity and hypersexuality among other terms has been a controversial and attention getting issue since it first

captured both public and professional attention over 30 years ago Previous discussions of this behavior have been grounded in conceptualizing it as a pathologized medical issue on par with substance abuse addictions or in backlash as simply irresponsible behavior indicating weakness in the individual In keeping with the call from many leaders in the mental health and sexual health areas to move beyond these two polarized conceptualizations of these sexual behavior problems the authors present a model for working with clients in both group and individual treatment settings Based on their experience with hundreds of clients this book provides a comprehensive and practical conceptualization of out of control sexual behavior framed as a sexual health problem within a larger model of human behavior not a psychiatric or addictive disorder The book includes step by step tools for assessment treatment planning as well as treatment implementation It describes a process for professionals to guide clients to define and be accountable for their own personal vision of sexual health as the foundation on which they regain sexual behavior control The authors provide rich and varied composite case examples based on 20 years of clinical experience that demonstrate clinician sexual health treatment conversations and tools as well as stories of hope and guidance so essential to individuals wanting to understand how sexual health can be the essential ally in changing their sexual behavior

International Non-governmental Organisations, Foundations, and Trusts in Viet Nam ,2006

Promoting Youth Sexual Health Gina Coffee,Pamela Fenning,Tommy L. Wells,2015-09-16 *Promoting Youth Sexual Health* written for preventionists and interventionists who work with children and adolescents across home school or community settings offers guidance on how to promote sexual health among youth The reader is first introduced to the state of the field including sexual behaviors in which youth engage sexual risk and protective factors standards and professional guidelines for promoting sexual health of youth developmental and cultural considerations and considerations in supporting LGBTQ youth Evidence based strategies to support child and adolescent sexual health in homes schools and communities are then presented The book concludes with a proposed model for integrating supports across settings to comprehensively promote youth sexual health

The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health Harvey J. Makadon,Jennifer Potter,2008 *The Fenway Guide to Lesbian Gay Bisexual and Transgender Health* is the first truly comprehensive clinical reference to enhancing the health care and wellness of LGBT patients Written by leading experts in the field and created in conjunction with Fenway Community Health of Boston one of America s most respected community based research and treatment centers this one of a kind resource examines the unique issues faced by sexual minority patients and provides readers with clear and authoritative guidance Book Jacket

The Ford Foundation Report ,2000 The Foundation Grants Index ,2001 National Guide to Funding in Health ,1995

Teenage Pregnancy and Young Parenthood Alison Hadley,2017-12-01 *Teenage Pregnancy and Young Parenthood* provides a comprehensive unparalleled insight into the UK Government s highly successful Teenage Pregnancy Strategy TPS for England which reduced the under 18 pregnancy rate by well over 50% and considers how the lessons from this policy can be applied internationally This important book captures

and shares the lessons from the TPS for future governments and policy makers and documents the details of implementing a long term strategy with its innovative approach to policy issues After providing the rationale for prioritising teenage pregnancy the book demonstrates evidence for what is effective both in helping young people avoid unplanned pregnancy and in improving outcomes for young parents The TPS is analysed against the World Health Organisation's key actions for effective scale up of adolescent sexual and reproductive health programmes to offer an important contribution to international understanding of this global public health challenge Advocating a whole systems multi agency approach this book translates evidence into clear action and combines theory and practice with illustrative case studies to demonstrate how to implement policy successfully It is valuable reading for policy makers and practitioners dealing with young people's health as well as undergraduate and postgraduate students in the fields of psychology health studies social work youth work education social policy sociology and related disciplines

Ford Foundation Annual Report Ford Foundation,2005 The president's report to the trustees and statement of grants
