This book contains the names and addresses of acquisitions editors at top publishing houses as well as their area of expertise and information on top literary agents First time and experienced authors will find the information they need to get their big break in the writing business instead of having their manuscripts end up in the slush pile     **Insider's Guide to Book Editors, Publishers, and Literary Agents, 1996-1997** Jeff Herman,1995-10-25 No other book gives aspiring authors the inside scoop on the names and specialties of acquisitions editors This vital information makes all the difference when submitting a book proposal or manuscript by keeping writers of all genres on top of the rapidly changing world of publishing Who s moved where who s new to the scene who s gone for good it s all here in one big volume     **Educational Yearning**  
Thomas Oldenski,Dennis Carlson,2002 What room is there for a language of spirituality and the spirit in democratic forms of education This is the question posed in this collection of essays by a broad range of scholars working in education Beginning with the premise that postmodernism is associated with a re spiritualization of culture the authors seek to explore ways in which this re spiritualization can be pushed in democratic rather than rightist or fundamentalist directions What they celebrate is diversity of progressive traditions and discourses of spirituality that educators and other cultural workers can draw upon to inform practice even as they trouble all essentialistic notions of spirituality Together these essays move democratic education onto a fundamentally new cultural terrain and they suggest that the metaphor of the journey of the spirit is one of the most enduring and potentially democratic ways of thinking about what it means to teach and to become educated     *New Books on Women and Feminism* ,1993     *Natural Health* ,1993
