Linda Fairstein has written a document of our times. Whether you're a victim of sexual violence, a woman looking for a role model or a citizen concerned with the criminal justice system, and *Sexual Violence: Linda Fairstein has given us the very essence of history written by the person who made it.* —*ELIZABETH STONE*

"This book will stay close to heart with its graphic tales of horror and sexual violence of rape. It also a brilliant story of hours of public hearings that's worth more than books and the promise of a great presentation." —*LOUISA SOKOL*

"There is the struggle more about than most important of women. Fairstein brings it with her experience to this important book, but her wisdom and compassion is with." —*JOHN KILBY*

"*Sexual Violence* is an important work, and ultimately, a reassuring book about our world. Linda Fairstein has done all of us — victims and non — a great service." —*ROBERTA KILBY*

"Linda Fairstein is a central figure of the criminal justice system for twenty years. In writing a compelling and fascinating account of the legal process in the rape cases prosecution and in New York, Fairstein has..." —*ELIZABETH STONE*

"*Sexual Violence* is a study of the impact of a dedicated, compassionate, and brave woman who offers a window of opening that compelling and important book. Fairstein has captured the life of Linda Fairstein's life." —*TRACY LEE KILBY*

Sexual Violence Our War Against Rape:

Sexual Violence Linda A. Fairstein, 1993 In tracing the evolution of laws that define and prosecute the act of rape Fairstein incorporates stories of the real cases she has dealt with and brings her very special insight and intelligence to the nationally debated issues of date rape prostitutes as rape victims and false reporting of rape Photos Auauthor tour **Sexual Assault on the College Campus** Martin D. Schwartz, Walter S. DeKeseredy, 1997-01-02 For many students coeducational college campus life is marred by traumatic experiences of sexual assault While there are many social determinants of rape and attempted rape this work examines the pivotal role of male peer support in legitimizing the sexual assault of women The authors use extensive prior studies together with their own investigations including a national representative study and local campus victimization surveys carried out in the United States and Canada A Most Detestable Crime Keith Burgess-Jackson, 1999 This collection of original essays by leading philosophers probes the philosophical aspects of rape in all of its manifestations act crime practice and institution Among the issues examined are the nature of rape the wrongfulness and harmfulness of rape the relation of rape to racism sexism classism and other forms of oppression and the legitimacy of various rape law doctrines Each contributor advances a novel argument and seeks to disentangle the conceptual evaluative and empirical issues that arise in connection with the crime This essential reference work is among the first philosophical anthologies devoted exclusively to the subject of rape as complex and interesting intellectually as it is pervasive and disturbing socially *All-American TV Crime Drama* Sujata Moorti, Lisa Cuklanz, 2016-12-18 Law and Order Special Victims Unit SVU is more popular than any other American police procedural television series but how does its unique focus on sex crimes reflect contemporary popular culture and feminist critique whilst also recasting the classic crime narrative All American TV Crime Drama is the first dedicated study of SVU and its treatment of sexual violence gender and criminality The book uses detailed textual and visual analyses of episodes to illuminate the assumptions underpinning the programme Although SVU engages with issues pertaining to feminism and gender it still relies upon traditional and misogynistic tropes such as false rape charges and the monstrous mother to undermine positive views of the feminine The show and its backdrop New York City thus become a stage on which national concerns about women gender roles the family and race are carried out Moorti and Cuklanz unpack how the show has become a crucible for examining current attitudes towards these issues and include an analysis of its reception by its many fans in over 30 countries **Women's Studies** Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as

texts or supplemental texts This definitive guide to the literature of women s studies is a must purchase for academic libraries that support women s studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women s studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women s studies It is a must purchase for academic libraries that support women s studies programs and a welcome addition to any academic or public library that endeavors to represent the field Sexual Violence Linda A. Fairstein,1995 The author an assistant district attorney in New York County and the director of the sex crimes prosecution unit describes some cases she s handled For general readers No bibliography Annotation copyright by Book News Inc Portland OR **New Woman** ,1993 **Maryland Journal of Contemporary Legal Issues** ,1993

Encyclopedia of Women's History in America Kathryn Cullen-DuPont,2014-05-14 A collection of biographical information about outstanding women in American history *Criminal Law* Charles P. Nemeth,2022-12-30 Criminal Law Historical Ethical and Moral Foundations 3rd edition blends legal and moral reasoning in the examination of crimes and explores the history relating to jurisprudence and roots of criminal law In order to fully grasp criminal law concepts students must go beyond mere rote memorization of the penal code and endeavor to understand where the laws originate from and how they have developed This book fosters discussions of controversial issues and delivers abridged case law decisions that target the essence of appellate rulings Grounded in the Model Penal Code making the text national in scope this volume examines Why the criminal codes originated and the moral religious spiritual and human influences that led to our present system How crimes are described in the modern criminal justice model The two essential elements necessary for criminal culpability actus reus the act committed or omitted and mens rea the mind and intent of the actor Offenses against the body resulting in death including murder manslaughter felony murder and negligent homicide Non terminal criminal conduct against the body including robbery kidnapping false imprisonment assault and hate crimes Sexual assault rape necrophilia incest and child molestation Property offenses such as larceny theft bribery forgery and embezzlement Crimes against the home including burglary trespassing arson and vandalism The book also examines controversial public morality issues such as prostitution drug legalization obscenity and pornography The final two chapters discuss inchoate offenses where the

criminal act has not been completed and various criminal defenses such as legal insanity entrapment coercion self defense and mistake of fact or law Important keywords introduce each chapter and discussion questions and suggested readings appear at the end of each chapter prompting lively debate and further inquiry into a fascinating subject area that continues to evolve Updated to include the latest developments in the law this book is appropriate for undergraduate students in criminal law and related courses

Women and the Criminal Justice System Katherine S. Van Wormer, Clemens Bartollas, 2007 This text examines the various roles of women in the criminal justice system against a social context in which women are oppressed The text examines the following three roles of women in criminal justice Women as victims of crimes Women as criminals convicted and sentenced for crimes Women as workers in various agencies in the criminal justice system This text emphasizes content on gender and ethnic diversity and on the strengths of oppressed people especially women of color A wide range of issues are covered including the rate of early childhood sexual abuse victimization in female inmates priest abuse of girls female inmate rape by male prison guard and obstacles for women lawyers achieving partnerships in their firms The authors provide a wealth of recent data drawn from both domestic and international human rights sources as well as from personal interviews The final portion of the text describes women's setbacks in entering the traditionally male dominated fields of policing the law and corrections if people are given half a chance they can draw on their own resources to heal from the past and build for the future This empowerment approach is already prominent in the social work field and widely used in victim treatment programs for working with female offenders

Speaking of Sex Deborah L. Rhode, 1997 On policies involving employment divorce custody rape pornography domestic violence sexual harassment and reproductive choice Speaking of Sex reveals how we continually overlook the gap between legal rights and daily experience All too often even Americans who condemn gender inequality in principle cannot see it in practice in their own lives homes and work environments

Men and Sex Ronald F. Levant, Gary R. Brooks, 1997-10-24 As Fresh as today's headlines as scholarly as cutting edge research as clinically useful as any volume can be Men and Sex is a well written compendium that is essential reading for academics and clinicians It is the last word on this most intriguing and socially relevant subject of men and their sexual desires William S Pollack Director Center For Men McLean Hospital Harvard Medical School Coauthor of In a Time of Fallen Heroes The Re creation of Masculinity A bold and informative book on a topic too long neglected by psychologists and other social scientists Lucia Gilbert Professor of Educational Psychology and Director of Women's Studies University of Texas at Austin This is a truly important book Turning conventional psychological wisdom on its head these authors reveal that what we have long considered normal male sexuality is actually a collage of pathologies objectifying nonrelational aggressive Michael Kimmel Professor of Sociology SUNY at Stony Brook Author of Manhood in America A Cultural History In this excellent book Levant and Brooks have taken a courageous and necessary step in exposing the pitfalls for men of nonrelational sex and offer in its place a model of intimate and engaged sexuality Just as women are learning to embrace

their power men can learn to embrace the nurturant and caring aspects of themselves Ultimately both genders will benefit from having a greater range of emotions and behaviors available to them and their sexual experiences will be more gratifying and complete Dorothy W Cantor Coauthor of *Women in Power The Secrets of Leadership* **Women's Rights Law Reporter**, 2007 Rape in America Rob Hall, 1995-06 The book examines the legal definition of rape identifies the nature of sexual assault through a review of common rape myths presents a description of rapist types and motivations and offers statistical profiles of both rapists and victims Pros and cons of major response options to sexual assault are identified and legal medical and psychological procedures and ramifications of rape are discussed Because the book compiles a wide variety of current information sources it should be helpful to students scholars researchers journalists administrators and victim advocates of women s shelters and rape crisis centers rape prevention instructors legislators and policymakers law enforcement personnel and interested laypersons Book chapters specifically deal with the cycle of rape victimization pornography and problems with sexual assault studies Additional chapters consider procedures trends and developments related to law enforcement judicial and correctional systems and to the medical treatment of sex offenders A directory of major providers of services for victims and offenders and an annotated bibliography of print and nonprint resources for further research are included References and figures Sexuality Down Under Allison Kirkman, Pat Moloney, 2005 Sexuality permeates most aspects of everyday life As it is both a hot topic and a taboo subject at the same time its study is important and controversial Essays in this book give many insights into issues surrounding sexuality in art in advertising in prostitution in homosexual law reform and in relation to teenage motherhood rape medical practice and male sexual disfunction As well there are essays on how the West responded to indigenous Pacific peoples and New Zealand s satanism scare of the 1990s CONTRIBUTORS Chris Brickell Barbara Collins Rob Cover Caroline Daley Jenny Harper Michael Hill Jan Jordan Allison Kirkman Pat Moloney Libby Plumridge Cameron Pritchard Tiina Varies **The American Journal of Forensic Psychiatry**, 1995 **Great American Court Cases: Criminal justice**, 1999 Nearly 800 cases mostly argued before the Supreme Court that have shaped American law Great American Trials, 2002 Presents summaries of some of the most significant and celebrated trials in American history each with the names of key players the charges location a narrative of circumstances leading up to the trial the trial itself the verdict and sentence and a discussion of the impact of the trial Arranged chronologically from 1950 through 2001 *The Domestic Violence Sourcebook* Dawn Bradley Berry, 1998 Gives effective options to help stop the abuse and violence
