## **Sexuality And The Curriculum The Politics And Practices Of Sexuality Education:**

Sexuality and the Curriculum James Thomas Sears, 1992-01-01 Sexuality and the Curriculum brings together curriculum scholars and developers with sexuality educators and sex equity specialists to explore the explicit and hidden curriculum of sexuality from kindergarten through college This collection of 15 interrelated essays challenges conventional assumptions regarding sexuality and the curriculum while proposing specific curricular strategies and alternatives Contributors include Mariamne Whatley Tony Whitson Michelle Fine Eleanor Linn Louise Berman Sue Klein Patricia Koch Charol Shakeshaft Bonnie Trudell and Jonathan Silin Though the authors do not represent a singular theoretical voice the book challenges conventional sexual discourse and curriculum design by applying nontraditional perspectives to traditionally unresolved problems Among the book's points are its multicultural emphasis and its integration of curriculum theory into sexuality education practice

**Evidence-based Approaches to Sexuality Education** James J. Ponzetti, Jr., 2015-09-16 This is the first book to provide a multidisciplinary and global overview of evidence based sexuality education SE programs and practices Readers are introduced to the fundamentals of creating effective programs to prepare them to design new or implement existing programs that promote healthy sexual attitudes and relationships Noted contributors from various disciplines critically evaluate evidence based programs from around the globe and through the lifespan Examples and discussion questions encourage application of the material Guidance for those who wish to design implement and evaluate SE programs in various social contexts is provided Each chapter follows a consistent structure so readers can easily compare programs Learning Goals Introduction Conclusion Key Points Discussion Questions and Additional Resources The editor taught human sexuality and family life education courses for years This book reviews the key information that his students needed to become competent professionals Highlights of the book's coverage include Interdisciplinary comprehensive summary of evidence based SE programs in one volume Prepares readers for professional practice as a Certified Family Life Educator CFLE or sex educator by highlighting the fundamentals of developing and implementing SE programs Exposes readers to evidence based SE programs from various social contexts including families schools communities and religious institutions Considers the developmental context of SE across the lifespan along with programs for LGBT individuals and persons with disabilities Critically reviews SE programs from around the world including the US Europe Asia Africa Latin America and other developing countries The book opens with an historical overview Part I focus on general frameworks of sexuality education including UNESCO's International Technical Guidelines How to develop deliver and implement evidence based SE programs including ethical concerns are explored in Part II Part III exposes readers to evidence based programs in various social contexts families schools communities and religious institutions Part IV considers the developmental context of SE from early childhood through adolescence and adulthood along with programs for LGBT individuals and persons with disabilities Part V examines diverse global contexts from the US Latin America Europe Asia Africa and other developing

countries The book concludes with future trends and directions Ideal for graduate or advanced undergraduate courses in sex education sexual health human sexuality sex or marriage counseling intimate relationships family life education or home school and community services taught in human development and family studies psychology social work health education nursing education and religion and in seminaries and family clinics the book also serves as a resource for practitioners counselors researchers clergy members and policy makers interested in evidence based SE programs or those seeking to become CFLEs or sexuality educators Sexual Ideology and Schooling Alexander McKay,1999-11-04 Presents a comprehensive analysis of the debates surrounding sexuality education in the schools and examines their implications for the content of educational programs **The Reader's Companion to U.S. Women's History** Wilma Mankiller,1998 Contains articles on fashion and style household workers images of women jazz and blues maternity homes Native American women Phillis Wheatley homes picture brides single women and teaching **Get Real About Sex** Pam Alldred,Miriam David,2007-07-16 Up to date and accessible this book manages to be both theoretically subtle and attuned to the realities of classroom practice Dr Rachel Thomson The Open University This book is a great success and provides a wealth of insights into the realities of teaching and being taught about sex and relationships Michael Reiss Institute of Education What are the different values and perspectives on sex and relationship education within a single secondary school How do young people think sex education should be taught What are the challenges facing the provision of good sex and relationship education at the classroom level and at the political level Young people often receive mixed messages about gender and sexual relationships When providing sex education lessons schools should take into account different ideas and values including the general British embarrassment over intimate matters and differing political and personal views about sex education This book combines young people s views of sex education schooling and parenthood with those of teachers school nurses and head teachers It brings together these varied perspectives and considers how they reveal different values aims and agendas The authors highlight the potential conflict between approaches to education and health and reveal the complexity of dealing with sexuality and gender in real life situations Focusing on young people s identities in the classroom contemporary theoretical approaches in the social sciences are employed to explore how gender is enacted and experienced by individuals and how social pressures and government agendas operate at the level of the individual This book contains original first hand empirical material from a detailed study of all the schools in one English city and offers a critical analysis of broader political and cultural ideas and values **Get Real About Sex** is key reading for students and professionals in education health and the sociology of gender and sexuality **Readings in Contemporary Sexuality** John P. Elia,Albert J. Angelo,2000 *Project for the Integration of Gay & Lesbian Youth Issues in School Personnel Certification Programs* ,1996 **Anthropology & Education Quarterly** ,2006 *Society, Law, and Sex Education* Pangaya Selvie Das,1999 This book provides a historical account of various legal remedies taken to help in the orderly development of society and the role of law in this process In

the modern context the provision of sex education on scientific lines has been rightly stressed in this book This is the first book of this kind in Indian which has discussed sex education in relation to law and social development      **Civil Mind-Instructors Edition** Whitt,Bland,2006-07      *The Politics of Pleasure in Sexuality Education* Louisa Allen,Mary Lou Rasmussen,Kathleen Quinlivan,2013-12-17 Pleasure and desire have been important components of the vision for sexuality education for over 20 years This book argues that there has been a lack of scrutiny over the political motivations that underpin research supportive of pleasure and desire within comprehensive sexuality education In this volume key researchers in the field consider how discourses related to pleasure and desire have been taken up internationally They argue that sexuality education is clearly shaped by specific cultural and political contexts and examine how these contexts have shaped the development of pleasure s inclusion in such programs Via such discussions this volume incites a re configuration of thought regarding sexuality education s approach to pleasure and desire      **The Palgrave Encyclopedia of Sexuality Education** ,2024-12-23 This Encyclopedia provides a comprehensive map of the field of sexuality education It offers an entry point for those interested in this topic providing a robust summary of issues and directing them to its best scholarship Comprehensive in scope it covers diverse global locations to highlight the significance of context when defining sexuality education The rapid development and increase in accessibility of digital technologies which has broadened sexuality education to include digital and media platforms is also reflected      Journal of Curriculum and Supervision ,1992

**Philosophy of Education** Philosophy of Education Society (U.S.),1998      Emerging evidence, lessons and practice in comprehensive sexuality education UNESCO,2015-12-21      **Gender and Belief Systems** Natasha Warner,1996

**Adolescent Sexuality** Carolyn Cocca,2006-09-30 Covering major issues in adolescent sexuality in the United States from colonial times to the present this work provides an account of how adults from policymakers to police and parents have attempted to intervene in the sexual lives of adolescents and how adolescent sexuality has been and continues to be a subject of social concern and control This balanced nuanced and data grounded view of the past and present of adolescent sexuality provides readers with a store of valuable and reliable information Covering major issues in adolescent sexuality in the United States from colonial times to the present the book provides an account of ways in which adults from policymakers to police and parents have attempted to intervene in the sexual lives of adolescents and how adolescent sexuality has been and continues to be a subject of social concern and control Original essays cover juvenile sex in history as well as trends such as statutory rape laws teen pregnancy media portrayals of adolescent sexuality and sex education The perspective is further broadened by a collection of primary documents such as a petition from the Women s Christian Temperance Union to raise the age of consent court cases Freud s theories on sexuality images used in the early 20th century for sex education and current statistics on adolescent sexuality This important and well informed work will prove a central resource for students educators parents journalists and those working on behalf of youth      *The journey towards comprehensive sexuality*
