Oliver, 1987 In this stimulating and timely book experts examine the critical issues that will face professionals in the religious community as they work with the elderly in the coming decades They look at the directions religious communities must be prepared to take and the problems to which they must respond if they are to be effective in the years ahead Topics include responding to poverty and aging suicide among the elderly connecting gerontological training and religious professionals and much more **Sexuality and Science** John Rutledge Martin, 1978 Practical Theology for Aging Derrel R. Cunnington, 2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn't have to be that way Challenging the arguments that perpetuate that conflict *Open Wide the Gates* presents a carefully developed biblical theological and ethical

argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunnington points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God s kingdom here on earth for all people regardless of their sexual orientation Human Sexuality - The Resource Book Bryan Strong,Christine DeVuale,Barbara W.
