

By the author of *Sacred Sexes* and *Profound Things*

The book cover features a collage of images. At the top, a small illustration shows a man and a woman in a romantic pose. Below this, on the left, is a large, detailed classical statue of a male figure, possibly a Greek god like Zeus or Poseidon. On the right is a classical statue of a female figure, likely Aphrodite or Venus. In the center, a red rectangular box contains the title. Below the box, there are several smaller, stylized illustrations: a pair of hands holding a heart, a pair of hands holding a phallus, and a pair of hands holding a heart. The background is a mix of soft, pastel colors like pink, yellow, and green, with some abstract, flowing lines in orange and red. The overall style is a blend of classical art and modern, whimsical illustration.
