

AUTHOR'S CHOICE

A SCIENCE FICTION BOOK CLUB SELECTION

Some of the finest short works ever produced in the science fiction field, by some of the most distinguished writers, are here presented by the writers themselves — with personal forewords illuminating the writer's fascinating craft.

Among the stories are adventures in the classic action mode — "space opera" — hauntingly beautiful fantasies, political prophecies, dazzling time travel conundrums, philosophical speculations, character studies — all kinds of SF by all kinds of writers, all of the first rank. The commentaries range from thoughtful and reflective essays on science fiction to whimsical personal anecdotes.
