**The Aging** Bennett M. Rich, Martha Baum, 2010-11-23 This book provides a comprehensive analysis of federal programs for the aging and their origins Landmark federal legislation affecting the aging was enacted in the 1930s and the intervening decades have witnessed a dramatic increase in the number and scope of programs But far from constituting a cohesive national policy for the elderly the many programs reflect the particular political and social conditions surrounding their origin and implementation The multiplicity and complexity of resources and services available make achieving even a reasonable grasp of this field extremely difficult This study offers a coherent and readable summary of this important area of federal legislation

**Aging Sourcebook** Dan R. Harris, 1998 Perspectives regarding the role of the elderly in American society continue to change as older Americans continue to live longer healthier and lead more active lives The Aging Sourcebook speaks directly to this growing population covering such topics as Social Security Medicare legal and financial issues health care and safety long term care and end of life issues This volume contains useful information for the general reader concerned with the issues that affect the lives of older Americans

**Aging, the Individual, and Society** Georgia M. Barrow, 1986 *Federal Social Policy* Donald T. Critchlow, Ellis Wayne Hawley, 1988 Reflecting the growing interest in social policy history this book provides a penetrating examination of the

development of social policy in the twentieth century America An introductory chapter serving as an overview to the field is followed by seven original essays which explore the historical context for understanding the formulation implementation and administration of social policy Robert Kelly's Foreword discusses the growth of policy history in recent years In his introduction Donald Critchlow argues that policy history encompasses historical reconstructions of development in particular social policy areas and attempts to make overall sense of policy making processes The chapters are presented in two sections The first Reconstructions of Policy Developments includes W Andrew Achenbaum's account of federal policies toward the aged since 1920 Brian Balogh's discussion of the emergence of the Social Security Board as a political actor from 1935 to 1939 and Judith Sealander's examination of policy formation and women's issues between 1940 and 1980 In the second section The Historical and Institutional Contexts of Policy making Morton Keller addresses social policy and the liberal state in twentieth century America Jack L Walker examines interests political parties and policy formation in the American democracy and Edward Berkowitz concludes with an essay on social welfare and the American state With studies representative of the best work in the historical analysis of social policy this volume will be of interest to scholars in history political science and public policy as well as to educated laymen seeking to understand social policy as it has emerged in modern America

Subject Catalog Library of Congress,1982      **Politics, Power and Old Age** John A. Vincent,1999 This volume introduces ideas dilemmas and controversies about the way that lives of elderly people are shaped by patterns of power It is about politics in the broadest sense and about old age as a contested part of contemporary social life The author applies ideas about power and ageism in specific areas such as lifestyles personal identity appearance and intergenerational conflicts as well as pensioners movements party politics and elections He includes original research on the social construction and negotiation of identity in old age and brings together material from a range of British American and European studies of relevance to the theme of politics and old age Throughout he explores global and historical trends in ageing but relates these to personal dilemmas and interpersonal relationships The book is interdisciplinary and its challenging ideas will appeal to a broad range of students academics and professionals with a common interest in ageing and the care and well being of the elderly

Subject Catalog, 1982 Library of Congress,1982      *National Union Catalog* ,1983 Includes entries for maps and atlases      *Bowker's Law Books and Serials in Print* ,1986      *The New Aging* Fernando Torres Gil,1992 This most timely authoritative and insightful book provides a new framework for understanding the circumstances currently surrounding America's elderly It establishes the important foundation of three key forces which are changing the national perspective on the aging They are generational claims on the government to respond to social needs diversity in aging populations and increasing longevity Torres Gil provides a context supported by informative background material for recognizing the significant demographic changes being experienced in the United States The work considers the policy issues decisions controversies and choices now associated with aging and demonstrates how the perception of the elderly has

changed from the 1960s and 1970s to today It asks what is fair in the allocation of public and private resources to the elderly How does the nation pay for services How do we make and implement the political and economic decisions with which a government and a society are now faced Torres Gil examines the ability of the government and the active labor force to support a large elderly population and urges a change in the current delivery of services and benefits He addresses all the essential issues necessary to avoid inter generational conflict including comprehensive planning the building of social consensus and inter generational coalitions      **The Policy-based Profession** Philip R. Popple, Leslie Leighninger, 2001 This social welfare policy text written specifically for social work shows students the crucial connection between social policy and the everyday practice of social work The text provides students with a process for analyzing policies that will help them as they enter the profession It offers a detailed foundation for policy analysis including chapters on historical policy analysis social economic analysis and political analysis The text includes chapters on social policy as it affects most of the major areas of social work practice poverty aging mental health and child welfare This edition brings students up to date on the latest developments in welfare reform managed care the campaign to restructure Social Security and the use of family preservation as an approach to child protection      **America, History and Life** ,1990 Article abstracts and citations of reviews and dissertations covering the United States and Canada      *Alzheimer's Disease* Harvey J.
