With a portrait** John PARKHURST (M.A.), 1826 Morning light [afterw.] The New-Church weekly, 1882 *Return to God* Danson Enogiomwan Ubebe, 2013-03-01 Return to God is a rare resource for uncommon Bible knowledge It is one book which clearly identifies the Gospel of Grace as different from the tradition under the Mosaic Covenant and yet strings them together without mixing them up The book covers several areas of the Holy Bible that a great number of people shy away from It is written to give glory to God not to man In explaining the hidden biblical truth the book debunks several commonly held views about tithing fasting seed sowing who of the spirit soul and body is the real man and more It further clarifies what Jesus Christ meant by believe and who can be described as really born again The book shows that man without Jesus Christ and this world are themselves darkness and that re incarnation is a reality and not an eastern religion gimmick The coverage by the book is huge and deep In the end a brief account of the evolution of Christianity is added The book also shows that there is a connection between Jesus Christ and the Tree of Life Return to God which unearths several hidden meanings of the Holy Bible teaching will appeal to those who are interested in religion and are seekers of God and the truth of the gospel of grace

Biblical Theology The Story of the Christ covers the overall biblical storyline and shows in detail how the entire Bible ultimately is about Christ This book does what no other book on biblical theology does it details Christ s pre incarnate appearances in the Old Testament how he appears in prophecy and how he appears typologically More than that the book shows how Christ is the fulfillment of all that Old Testament Israel and its major institutions were pointing to including the Abrahamic Davidic and new covenants the nation itself the tabernacle and temple sacrificial system and priesthood law Sabbath and feasts Because Jesus Christ is at the heart of the biblical story is its main character and holds the entire Bible together the book concludes with two important appendices Appendix 1 shows how Christ is fully God and fully man and discusses why that is important Appendix 2 explains the Christian doctrine that God is Trinity showing how that idea is neither incoherent nor illogical but clearly emerges from the Bible and is reasonably understandable In fact because God is Trinity trinitarian concepts have been designed into all levels of reality from the microscopic to the macroscopic
