Shadow of Heaven John English, 1990 **Learning to Love the Bomb** Sean M. Maloney, 2007-08 Offers controversial data and conclusions about Canada's management of nuclear weapons and of its image on the world stage Based on newly declassified Canadian and U S documents from the 1950s and 1960s *Warrior Nation* Ian McKay, Jamie Swift, 2012-05-26 Once known for peacekeeping Canada is becoming a militarized nation whose apostles the New Warriors are fighting to shift public opinion New Warrior zealots seek to transform postwar Canada's central myth symbols Peaceable kingdom Just society Multicultural tolerance Reasoned public debate Their replacements A warrior nation Authoritarian leadership Permanent political polarization The tales cast a vivid light on a story that is crucial to Canada's future yet they are also compelling history Swashbuckling marauder William Stairs the Royal Military College graduate who helped make the Congo safe for European pillage Vimy Ridge veteran and Second World War general Tommy Burns leader of the UN's first big peacekeeping operation a soldier who would come to call imperialism the monster of the age Governor General John Buchan a concentration camp developer and race theorist who is exalted in the Harper government's new Citizenship Guide And that uniquely Canadian paradox Lester Pearson *Warrior Nation* is an essential read for those concerned by the relentless effort to conscript Canadian history *The Enduring Riddle of Mackenzie King* Patrice Dutil, 2025-10-01 A giant of Canadian history A racist and antisemite typical of his generation A devoted occultist An uncontested Liberal Party leader *The Enduring Riddle of Mackenzie King* explores the character thoughts and actions of Canada's longest serving prime minister Patrice Dutil leads a who's who of historians to explain William Lyon Mackenzie King Although King often headed minority governments and was sometimes personally defeated in elections his accomplishments are unmatched He led the nation during the expansionist 1920s and part of the 1930s Depression and managed the Canadian war effort in the 1940s garnering both praise and blame His inaction on numerous files and the racism of many of his policy approaches were reprehensible but he kept the country united during the Second World War and ushered in the welfare state These essays shed new light on how King may or may not be the greatest of all Canadian prime ministers *Canada and the End of Empire* Phillip Alfred Buckner, 2007-10-01 Sir John Seeley once wrote that the British Empire was acquired in a fit of absence of mind Whatever the truth of this comment it is certainly arguable that the Empire was dismantled in such a fit This collection deals with a neglected subject in post Confederation Canadian history the implications to Canada and Canadians of British decolonization and the end of empire *Canada and the End of Empire* looks at Canadian diplomatic relations with the United Kingdom and the United States the Suez crisis the changing economic relationship with Great Britain in the 1950s and 1960s the role of educational and cultural institutions in maintaining the British connection the royal tour of 1959 the decision to adopt a new flag in 1964 the efforts to find a formula for repatriating the constitution the Canadianization of the Royal Canadian Navy and the attitude of First Nations to the changed nature of the Anglo Canadian relationship Historians in Commonwealth countries

tend to view the end of British rule from a nationalist perspective Canada and the End of Empire challenges this view and demonstrates the centrality of imperial history in Canadian historiography An important addition to the growing canon of empire studies and imperial history this book will be of interest to historians of the Commonwealth and to scholars and students interested in the relationship between colonialism and nationalism **People, Politics, and Purpose** Greg Donaghy, P. Whitney Lackenbauer, 2023-02-15 Biography is not on the periphery of history but in the middle of it historian Peter Waite astutely remarked People Politics and Purpose brings the historian's myriad tools to bear on Canadians from prime ministers to lumberjacks to Indigenous leaders Drawing on the rich details of biography the what the contributors also address the larger questions of motivation the so what that drive history In the process they prove the value of analyzing both macro and micro dynamics within Canadian politics and society to illuminate the roles of political actors As such the biographies in People Politics and Purpose are not simply stories about the lives of individuals but critical reflections on subjects who are directly involved in and affected by politics in Canada This book makes for lively reading that stimulates fresh thinking about political biography and the direction of political history more generally **Paix Et Sécurité**, 1990

Right Honourable Men Michael Bliss, 1994 **International Journal**, 1994 *Franklin Roosevelt and the Origins of the Canadian-American Security Alliance, 1933-1945* Galen Perras, 1998-03-30 In the turbulent years before World War II U S strategic planners struggled with the question of Canadian security Franklin Roosevelt took a unique interest in America's northern neighbor and persistently encouraged Canada to do more to ensure its own defense especially through alliance with the U S This aspect of foreign policy resulted in a delicate balancing act between U S officials who sought to downplay the strategic importance of Canada and Canadian leaders who saw American overtures as a threat to Canadian sovereignty The first chapter discusses Roosevelt's early efforts between 1933 and 1937 to increase Canadian interest in North American defense The second follows events up to the outbreak of war Although Canada had been seen as part of the rival British Empire Canada now became a natural ally in hemispheric security efforts Roosevelt's dealings with Canadian Prime Minister W L M King who would be branded a puppet for these interactions and the evolution of continental defense efforts are discussed in the third chapter The fourth chapter chronicles the wartime struggles of two new allies as Roosevelt became more concerned with Europe and the coming Soviet threat The final chapter further explains the declining interest in Canada as World War II becomes the focus of American interests **CM**, 1990 *Canada's Department of External Affairs: Coming of age, 1946-1968* John Hilliker, 1990 **True Patriot** David Jay Bercuson, 1993 Claxton was active in many of the key Canadian intellectual movements of the 1920 and 1930s He played a significant role in the creation of the Canadian Broadcasting Corporation and was an active proponent of social reform and he was also a key player in Canadian political life until his retirement in 1954 This biography brings to light his accomplishments and how they set a pattern for public service careers among males of his class Annotation copyright by Book News Inc Portland OR [The North Atlantic Triangle in a](#)
