Shadow Of The Titan:

SHADOW OF A TITAN A. F. WEDGWOOD,2018 **Titans** Kate O'Hearn,2020-07-28 A group of kids must stop invaders before they take over Titus and the rest of the universe in this first book in a brand new series from bestselling Pegasus author Kate O Hearn who masterfully blends mystery and mythology together Fifteen years ago Olympus was destroyed and the Olympians were resettled on Titus Since then Earth has been declared a quarantined world Neither Titans nor Olympians are allowed to visit and under no circumstances are humans allowed on Titus The Titans and Olympians are keeping the peace But the deep seated mistrust still lingers so when a human ends up on Titus he could be the spark that reignites the war Astraea is a Titan granddaughter of Hyperion and now a reluctant student at the brand new school Arcadia She just knows that it s going to be awful and that there is no way that Titans and Olympians will ever get along At least she s got her best friend a winged horse named Zephyr to keep her company Then the night before the first day of school Astraea hears her parents discussing something terrifying a human has been spotted on Titus But that s not possible All routes to Earth via the Solar Stream have been closed no one can travel between the two worlds or can they When Astraea and Zephyr get detention on their first day for fighting with a centaur they re sent to the orchards to harvest nectar There they discover a human boy named Jake How he got to Titus is a mystery even to him But Astraea and Zephyr know they have to get Jake home before anyone else discovers him But what the trio uncovers is something much bigger than one misplaced human boy It s a scheme to take down the rulers of this world conquer it and then do the same across the galaxy Can a group of kids stop the invaders Or is Titus like Olympus before it doomed
