## Shadows End:

*The Plague of Shadows: Where Shadows Come to Life (Fantasy and Horror Novel)* Lucian Vale, 2024-09-25 A chilling darkness is spreading turning the very shadows of the world into killers Caleb Draven has already lost everything to the mysterious plague his family his peace and his hope Now as society crumbles he watches in horror as the shadows of ordinary people twist into malevolent beings hungry for blood But when Caleb's shadow starts to rebel he realizes there's something far worse at play Joined by Selene Thorn a determined scholar and Marcus Hale a reluctant skeptic Caleb embarks on a desperate journey to uncover the truth behind the curse Their search leads them to an ancient war between humans and shadow dwellers and the revelation of a long buried secret that could save or destroy them all As the shadows close in Caleb must confront not only the deadly beings hunting them but also the darkness within himself The final battle will demand the ultimate sacrifice Will he face the truth or will he succumb to the shadows The Plague of Shadows is a gripping dark fantasy horror novel filled with eerie tension complex characters and relentless suspense Fans of Stephen King and atmospheric psychological horror will find themselves captivated by this story of survival sacrifice and the terrifying forces lurking just beyond the light

**Souls In Watercress Valleys** Aiye-ko ooto, 2018-10-29 Warning an emotional piece If you can't handle do not open Often overlooked our souls are hollow and perennial They're rapidly growing much like watercress in valleys they are semi aquatic They survive water or land In either sphere they must remain not too long Too long on land they'll dry up or in water they're torn apart But souls need to reside in valleys struggling between water and land It defines their character Similar to challenges we face in life The comfort of love is like water to our souls whereas the struggles with daily bread the climb out of valleys Aiye-ko ooto in this anthology of 50 poems ripples in the waters and climbs out of the valleys In 5 movements we relive how a thousand words matter to our soul What happens when there are poses in dark woods How brittle and beautiful we are The need for us to climb sunny slopes and that secret the balancing act of humanity and love
