Shadows Horse:

Shadow Horse Ben Bridges, Steve Hayes, 2014-04-08 The Portuguese slavers called him Sam because they couldn't pronounce his real name. They tore him away from his homeland and put him to work picking cotton in the Tennessee Valley. But the big fleet-footed Zulu was nobody's slave and to prove it he escaped and headed west. Throwing in with a medicine show conman named Doc Jonah, Sam started entering county footraces to earn enough money to go back to Africa. But then his trail crossed that of Major Lawrence Devlin and nothing was going to stop the ruthless rancher's man from winning the Fort Stockton Carnival Week race. From that moment forward, Sam was cheated, beaten, shot, and hunted like an animal. Worse, they took his beautiful grullo mare, U Shee nah, away from him. But that was Devlin's biggest mistake because it only made Sam more determined to get his revenge and as Shadow Horse, he became Devlin's worst nightmare. *Rootabaga Stories* Carl Sandburg, 2019-11-21 *Rootabaga Stories* is a children's book of interconnected short stories by Carl Sandburg. The quirky at times gloomy stories, which often use nonsensical language, were initially created for his own daughters. Excerpt: There was a Potato Face Blind Man used to play an accordion on the Main Street corner nearest the postoffice in the Village of Liver and Onions. Any Ice Today came along and said, "It looks like it used to be an 18 carat gold accordion with rich pawnshop diamonds in it. It looks like it used to be a grand accordion once and not so grand now. Oh yes, oh yes, it was gold all over on the outside," said the Potato Face Blind Man. And there was a diamond rabbit next to the handles on each side, two diamond rabbits. How do you mean diamond rabbits? Any Ice Today asked. Ears, legs, head, feet, ribs, tail, all fixed out in diamonds to make a nice rabbit with his diamond chin on his diamond toenails. When I play good pieces, so people cry hearing my accordion music, then I put my fingers over and feel of the rabbit's diamond chin on his diamond toenails. Attaboy, li l bunny, attaboy, li l bunny. Yes, I hear you talking, but it is like dream talking. I wonder why your accordion looks like somebody stole it and took it to a pawnshop and took it out and somebody stole it again and took it to a pawnshop and took it out and somebody stole it again. And they kept on stealing it and taking it out of the pawnshop and stealing it again till the gold wore off so it looks like a used to be yesterday. **Worlds of Shadow** David Wisniewski, 1996-11-15 The Wisniewskis, codirectors of the acclaimed Clarion Shadow Theatre, have modernized and simplified the techniques of the ancient art of shadow puppetry and created this easy step-by-step guide. After a brief overview of light and screen options, the authors show you how to introduce concepts of light and shadow to students. Stage directions, puppet patterns, scripts, projected scenery ideas, and a full range of astounding but readily achieved special effects help you quickly master any performance, from simple songs and rhymes to full-blown stories and plays. The special effects use such common materials as wax paper and colored plastic, and no art skills are needed. Suitable for the novice as well as the specialist, the guide has chapters on intermediate and advanced techniques for those who desire a more varied and complex production. **Horses** Michelle Lovric, 1994 Horses, swift and strong, have carried our history on their broad backs.
