Somewhere Over the Rainbow Gloria Chadwick, 2008 Amanda is a free spirit who somehow manages to get herself stuck in the energy vibration of a physical body Of course she did it on purpose nothing happens by accident She s a little embarrassed to find herself on earth again and wonders how she ended up here when she

vowed she d never reincarnate again Her most down to earth task is to see through the misty illusions of things for herself and to remember her spiritual nature In the course of events she gets sidetracked by what everyone says is real life But she s not sure what s real anymore She s been dreaming about rainbows lately and now she s beginning to wonder if her life is really a dream she's having Lavender is trying to remember something she's forgotten about her spiritual nature so she registers for school in the universe and begins classes in Time and Space Energy and Matter and Reality Awareness She s a little concerned about the whole idea of synchronicity and the simultaneous time space concept she s not sure if she can handle everything at once Her destiny is to unearth the mysteries of the universe and to rediscover the Scroll of Knowledge she wrote in Egypt But she's reluctant to remember her experiences as a philosopher and has turned off her spiritual awareness Rainbow is Amanda's higher self and Lavender's teacher who tries to help them see the light within themselves But Rainbow is really more than she appears to be at first or even second glance On a Wild Night Stephanie Laurens, 2009-10-13 Where are all the exciting men in London After spending years in the glittering ballrooms of the ton Amanda Cynster is utterly bored by the current crop of colorless suitors Determined to take matters into her own hands one night she shockingly goes where no respectable lady ever should but where many an intriguing gentleman might be found But titillating excitement quickly turns to panic when Amanda discovers she's quite out of her depth She looks around for help and is unexpectedly rescued by the Earl of Dexter Lean sensuous and mysterious he has delayed re entering society preferring instead a more interesting existence on its fringes He s the epitome of the boldly passionate gentleman Amanda has been searching for but although his very touch makes it clear he s willing to educate her in the art of love Amanda has to wonder if such a masterful lionized rake can be sufficiently tamed into the ways of marriage Fortune's Bride Iudith E. French, 1994 Spacefighters Joe W. Haldeman, 1988 Time Remembered Jean Anouilh, 1954 A young milliner who looks very much like a prince s dead sweetheart is recruited by his aunt to distract him from his mourning Goodbye, Pink Pig C.
