Shadows Of Elisa Lynch:

The Shadows of Elisa Lynch Siân Rees, 2003 **The Shadows of Elisa Lynch** Siân Rees, 2003 Long before Eva Perón turned Argentina upside down Elisa Lynch brought Paraguay to its knees In 1854 an ambitious Irish courtesan met a South American General in Paris and returned with him to Paraguay When he became President she became his de facto first lady and together they changed the course of the country's history Consumed by desire for Napoleonic glory General President López took Paraguay into a disastrous war against her neighbours Elisa Lynch went with him on campaign turning conditions of war to her advantage where she could He was killed in the northern hills but she survived only to be expelled from Paraguay and die an obscure death in Paris Reviled and respected loved and distrusted Elisa Lynch has been described as both a heroic companion to López and a malign enchantress In *The Shadows of Elisa Lynch* Siân Rees tells her fascinating story of recovered history

Francisco Solano López and the Ruination of Paraguay James Schofield Saeger, 2007-07-20 The first serious biography of Francisco Solano López in English for decades this richly researched book tells the dramatic story of Paraguay's most notorious ruler Despite the heroic stature he gained after his death López was a monumentally flawed leader who made the disastrous decisions in 1864 and 1865 to invade Paraguay's powerful neighbors Brazil and Argentina initiating the most devastating interstate conflict in South American history Drawing on a trove of primary sources James Schofield Saeger offers a critical analysis of López's personality and often irrational persecution of enemies adherents and siblings He traces López's preparation for high public office work habits control of his nation and army propaganda and execution Concluding with an examination of López's posthumous rehabilitation Saeger shows how the tyrant who ruined his nation became its most highly honored hero crowning a campaign by revisionist publicists from 1870-1936 and a useful symbol for later authoritarians Still largely unchallenged in Paraguay today this glorification of a martial president is definitively put to rest in Saeger's meticulous study

Scarlet Women Ian Graham, 2016-01-26 In 1965 an impoverished elderly woman was found dead in Nice France Her death marked the end of an era she was the last of the great courtesans Known as La Belle Otero she was a volcanic Spanish beauty whose patrons included Kaiser Wilhelm II the Prince of Wales later King Edward VII and Grand Duke Nicholas of Russia She accumulated an enormous fortune but gambled it all away *Scarlet Women* tells her story and many more including Marie Duplessis who inspired characters by both Dumas and Verdi Clara Ward a rare American courtesan who hunted for a European aristocrat but having married a Belgian prince ran away with a gypsy violinist Ninon de L'Enclos who was offered 50 000 crowns by Cardinal Richelieu for one night Money left in her will paid for Voltaire's education Courtesans were an elite group of talented professional mistresses The most successful became wealthy and famous in their own right While they led charmed lives they occupied a curious position they enjoyed freedom and political power unknown to most women but they were ostracised by polite society From the hetairai of ancient Greece to the cortigiani onesti of 16th century Venice the oiran of Edo period Japan to the demimondaines of 19th century France this

Transcultural Negotiations of Gender Saugata Bhaduri, Indrani Mukherjee, 2015-09-18 *Transcultural Negotiations of Gender* probes into how gender is negotiated along the two axes of belonging and longing the twin desires of being located within a cultural milieu while yearning for either what has passed by or what is yet to come It also probes into the category of transculturality itself by examining how not only does it pertain to the coming together of cultures from diverse spatial locations but how shifts over time and changing performative modes and technological means of articulation within what may be presumed to be the same culture can also lead to the transcultural The volume comprises four sections Part I Be longing in Time examines negotiation of gender through transcultural acts of myths rituals and religious practices being revised and

revisited over time Part II Be longing in Space studies how gender is renegotiated when people from different spaces interact as also when public spaces and domains themselves become sites of such negotiations In Part III Performing Be longing such transcultural negotiations are located in the context of changing modes of performance considering particularly that gender itself is performative The final section Modernity Technology and Be longing traces how gender becomes transculturally negotiated in a space like India with the advent of modernity and its companion technology *Ireland, the Irish, and the Rise of Biofiction* Michael Lackey, 2021-11-04 Biofiction is literature that names its protagonist after an actual historical figure and it has become a dominant literary form over the last 35 years What has not yet been scholarly acknowledged or documented is that the Irish played a crucial role in the origins evolution rise and now dominance of biofiction Michael Lackey first examines the groundbreaking biofictions that Oscar Wilde and George Moore authored in the late 19th and early 20th centuries as well as the best biographical novels about Wilde by Peter Ackroyd and Colm T ib n He then focuses on contemporary authors of biofiction Sabina Murray Graham Shelby Anne Enright and Mario Vargas Llosa who Lackey has interviewed for this work who use the lives of prominent Irish figures Roger Casement and Eliza Lynch to explore the challenges of seizing and securing a life promoting form of agency within a colonial and patriarchal context In conclusion Lackey briefly analyzes biographical novels by Peter Carey and Mary Morrissy to illustrate why agency is of central importance for the Irish and why that focus mandated the rise of the biographical novel a literary form that mirrors the constructed Irish interior

Paradise with Serpents Robert Carver, 2007 Robert Carver journalist and author of the acclaimed *Among the Mountains* searches for high adventure and intense experiences as he follows the trail of a family mystery Once upon a time when Buenos Aires was still a tiny village there existed an almost magical sub tropical paradise in the lost heart of South America Old Paraguay In 1537 a group of Europeans founded Asuncion on the banks of the Parana river where they were enthusiastically welcomed by the Gurani An extraordinary fusion of New World and Old was created a place where magnificent baroque cathedrals were built of carved stone in the heart of the jungle and solemn Catholic masses and high oratorios were sung and performed on European instruments by Gurani Indians and their Jesuit mentors But every paradise has its serpents and the history of Paraguay is also studded with oppressive and even demented dictators Robert Carver s long term fascination with this intoxicating world was fuelled by childhood stories of his great uncle Charlie Carver who vanished into the Amazonian jungle of old north Paraguay in search of Inca silver He never returned but his smashed gold pocket watch was traded down river and returned to the family in England Today Paraguay is the only South American country which is truly bilingual in Spanish and Gurani here everyone is a mestizo and proud of their dual heritage Pink freshwater dolphins play in the rivers of the Huan Chaco while in the forests soldier ants cut paths six feet wide and eat anything in their way they can devour a nylon tent in an hour Carver a fluent Spanish speaker travels into this forbidden lost world in search of his own golden city of outlandish experience The physically reckless journey takes him from mule trains

The Fashion Doll Juliette Peers,2004-06-01 Feminists have argued that the Barbie doll perpetuates unrealistic standards of feminine beauty and undermines the credibility of women that her long slender plastic limbs and tiny waist fetishize the female body in unnatural ways and that her mature overtly fashionable image promotes consumerism and superficiality over and above womens liberty and intellect Depending on the viewer Barbie is either a malign symbol of the strategies of the capitalist system or she is a symbol of glamour high fashion and style a fascinating indice of cultural change and nostalgic memory Yet both Barbies fans and detractors assume that she stands alone In reality she is the most high profile of a series of iconic dolls that over the past century and a half have been intimately connected to notions of fashionability The prominence of haute couture in popular culture suggests that the link between fashion marketing and dolls should be an obvious one Yet to date this connection has not been systematically explored Doll collecting has been viewed as an enthusiasts or curatorial preserve while the volumes these artefacts speak about culture and identity has not been adequately interrogated Peers original and shrewd analysis fills a major gap in cultural studies by examining in depth the
