Jeffrey Sweet

Shadows Over My Berlin:

In the Shadow of the Holocaust James F. Tent, 2003 James Tent recounts how these men and women from all over Germany and from all walks of life struggled to survive in an increasingly hostile society even as their Jewish relatives were disappearing into the East It draws on extensive interviews with twenty survivors many of whom were teenagers when Hitler came to power to show how half Jews coped with conditions on a day to day basis and how the legacy of the hatred they suffered still lingers in their minds **Child Survivors in the Shadows** Lilo L. Cohn-Sharon, 2013 The first part of the book was published as *A Shadow over My Life* Jerusalem Gefen 1994 Pt 2 of the book p 59 115 contains poems by the author

The Value of Names and Other Plays Jeffrey Sweet, 2008-05-14 In this collection of plays the playwright confronts both personal politics and the impact of historical change The title work first mounted in 1982 is a comedy drama about the aftermath of the blacklist whose continued relevance makes it a frequently produced play today The family drama *Porch* suggests larger social changes through the interaction of a small town shopkeeper and his defiant daughter The lauded *American Enterprise* set in the Chicago of the robber barons is a song filled true story about a millionaire whose stubborn idealism leads to disaster *Stay till morning* is a rueful comedy about sex and accommodation in the Florida Keys The three plays that grew out of his fascination with the effects of World War II *Berlin 45* *Court martial at Fort Devens* and *The action against Sol Schumann* dramatize the ways in which that conflict transformed private fates Each script is accompanied by an introduction from the playwright as well as performance notes **Jewish Exiles and European Thought in the Shadow of the Third Reich** David Weinstein, Avihu Zakai, 2017-07-06 Hans Baron Karl Popper Leo Strauss and Erich Auerbach were among the many German speaking Jewish intellectuals who fled Continental Europe with the rise of Nazism in the 1930s Their scholarship though not normally considered together is studied here to demonstrate how despite their different disciplines and distinctive modes of working they responded polemically in the guise of traditional scholarship to their shared trauma For each the political calamity of European fascism was a profound intellectual crisis requiring an intellectual response which Weinstein and Zakai now contextualize ideologically and politically They exemplify just how extensively and sometimes how subtly 1930s and 1940s scholarship was used not only to explain but to fight the political evils that had infected modernity victimizing so many An original perspective on a popular area of research this book draws upon a mass of secondary literature to provide an innovative and valuable contribution to twentieth century intellectual history *The Time of the City* Michael Shapiro, 2010-06-17 Engaging with critical theory poststructuralist perspectives cultural studies film theory and urban studies the book provides stunning insights into the micropolitics of ethnicity identity security subjectivity and sovereignty *Metronome* , 1928 [Newsletter](#) , 1995 *Letters of Franz Liszt: From Rome to the end* Franz Liszt, 1894 **William L.
