Shadows Rise Abraham Lincoln And The Ann Rutledge Legend:

The Shadows Rise John Evangelist Walsh,1993 In recent decades the Ann Rutledge story has been treated as mythical rather than as an account of Abraham Lincoln's first but doomed love affair Here the author restores Ann Rutledge to her rightful place in the historical record

Lincoln Legends Edward Steers Jr.,2007-10-12 In the more than 140 years since his death Abraham Lincoln has become America's most revered president The mythmaking about this self-made man began early some of it starting during his campaign for the presidency in 1860 As an American icon Lincoln has been the subject of speculation and inquiry as authors and researchers have examined every aspect personal and professional of the president's life In *Lincoln Legends* noted historian and Lincoln expert Edward Steers Jr carefully scrutinizes some of the most notorious tall tales and distorted ideas about America's sixteenth president These inaccuracies and speculations about Lincoln's personal and professional life abound Did he write his greatest speech on the back of an envelope on the way to Gettysburg Did Lincoln appear before a congressional committee to defend his wife against charges of treason Was he an illegitimate child Did Lincoln have romantic encounters with women other than his wife Did he have love affairs with men What really happened in the weeks leading up to April 14 1865 and in the aftermath of Lincoln's tragic assassination *Lincoln Legends* evaluates the evidence on all sides of the many heated debates about the Great Emancipator Not only does Steers weigh the merits of all relevant arguments and interpretations but he also traces the often fascinating evolution of flawed theories about Lincoln and uncovers the motivations of the individuals occasionally sincere but more often cynical self-serving and nefarious who are responsible for their dispersal Based on extensive primary research the conclusions in *Lincoln Legends* will settle many of the enduring questions and persistent myths about Lincoln's life once and for all Steers leaves us with a clearer image of Abraham Lincoln as a man as an exceptionally effective president and as a deserving recipient of the nation's admiration

The Presidents We Imagine Jeff Smith,2009-03-19 In *The Presidents We Imagine* Jeff Smith examines the presidency's ever-changing place in the American imagination Ranging across different media and analyzing works of many kinds some familiar and some never before studied he explores the evolution of presidential fictions their central themes the impact on them of new and emerging media and their largely unexamined role in the nation's real politics

"Lincoln's Humor" and Other Essays Benjamin P. Thomas,2024-04-22 This volume gathers the best previously unpublished and uncollected writings on Abraham Lincoln and Lincoln scholarship by one of his great biographers Benjamin P Thomas A skilled historian and a masterful storyteller himself Thomas was widely regarded as the greatest Lincoln historian of his generation With these essays he combines historical depth with narrative grace in delineating Lincoln's qualities as a humorist lawyer and politician From colorful tall tales to clever barbs aimed at political opponents Lincoln clothed a shrewd wit in a homespun backwoods vernacular He used humor to defuse tension illuminate a point put others at ease and sometimes for sheer fun From an early reliance on broad humor and ridicule in speeches and on the stump Lincoln's style

shifted in 1854 to a more serious vein in which humor came primarily to elucidate an argument. If I did not laugh occasionally I should die, he is said to have told his cabinet, and you need this medicine as much as I do. Thomas brings his deep knowledge of Lincoln to essays on the great man's tumultuous career in Congress, his work as a lawyer, his experiences in the Courts, and his opinions of the South. A gracious survey of Lincoln's early biographers, particularly Ida Tarbell, stands alongside an appreciation of Harry Edward Pratt, a key figure in the early days of the Abraham Lincoln Association. Thomas also assesses Lincoln's use of language and the ongoing significance of the Gettysburg Address. This diverse collection is enhanced by an introduction by Michael Burlingame himself, a leading biographer of Lincoln. Burlingame provides a balanced portrait of Thomas and his circuitous path toward writing history.

[In the Houses of Their Dead](#) Terry Alford, 2022-06-14

Here is Lincoln in the Bardo for real. You couldn't make it up: necromancers, mad actors, frauds, true believers, and in the middle, the greatest President, Sidney Blumenthal, author of *The Political Life of Abraham Lincoln*. The story of Abraham Lincoln as it has never been told before, through the strange, even otherworldly points of contact between his family and that of the man who killed him, John Wilkes Booth. In the 1820s, two families unknown to each other worked on farms in the American wilderness. It seemed unlikely that the families would ever meet, and yet they did. The son of one family, the famed actor John Wilkes Booth, killed the son of the other, President Abraham Lincoln, in the most significant assassination in American history. The murder, however, did not come without warning; in fact, it had been foretold. *In the Houses of Their Dead* is the first book of the many thousands written about Lincoln to focus on the president's fascination with Spiritualism and to demonstrate how it linked him uncannily to the man who would kill him. Abraham Lincoln is usually seen as a rational, empirically minded man, yet as acclaimed scholar and biographer Terry Alford reveals, he was also deeply superstitious and drawn to the irrational. Like millions of other Americans, including the Booths, Lincoln and his wife Mary suffered repeated personal tragedies and turned for solace to Spiritualism, a new practice sweeping the nation that held that the dead were nearby and could be contacted by the living. Remarkably, the Lincolns and the Booths even used the same mediums, including Charles Colchester, a specialist in blood writing whom Mary first brought to her husband and who warned the president after listening to the ravings of another of his clients, John Wilkes Booth. Alford's expansive, richly textured chronicle follows the two families across the nineteenth century, uncovering new facts and stories about Abraham and Mary while drawing indelible portraits of the Booths from patriarch Julius, a famous actor in his own right, to brother Edwin, the most talented member of the family, and a man who feared peacock feathers to their confidant Adam Badeau, who would become strangely the ghostwriter for President Ulysses S. Grant. At every turn, Alford shows that despite the progress of the age, the glass hypodermic syringe, electromagnetic induction, and much more, death remained ever present, and thus it was only rational for millions of Americans, from the president on down, to cling to beliefs that seem anything but. A novelistic narrative of two exceptional American families set against the convulsions of their times, *In the Houses of Their Dead* ultimately leads us to consider how ghost stories helped

shape the nation *November* Kent Gramm, 2001-11-09 It begins with the search for hallowed ground the exact place from which Abraham Lincoln delivered the Gettysburg Address In bleak November Kent Gramm makes a pilgrimage to the most famous battleground in American history and over the course of a month transforms his search into a discovery of the meaning of Lincoln's elegy for America's identity For Gramm the century that began with Lincoln's address and ended with the assassinations of the 1960s saw the destruction of the modern world and with it America's sense of purpose The book reflects on the November anniversaries of public events such as the Armistice that ended World War One Kristallnacht the assassination of John F Kennedy the death of C S Lewis the first major battle of the Vietnam War and the publication of Robert F Kennedy's *To Seek a Newer World* and also on private events in Gramm's family history provide the occasions for Gramm's meditations on public and private heroism on modernism's hopes and postmodern despair In November he asks us to seek a path toward the new birth of freedom that Lincoln envisioned at Gettysburg The month begins with things that perish But ultimately November is a journey of hope as was Lincoln's journey to Gettysburg So too I will journey to Gettysburg in these pages Like Lincoln's fellow citizens I go there to assuage personal grief to find answers and I hope for me as for them that my personal sorrows become a vehicle for larger answers and a larger purpose Lincoln addressed their grief why not mine he gave his generation purpose why not ours **The Lincoln Legacy**, 1987 *The Inner World of Abraham Lincoln* Michael Burlingame, 1994 Based primarily on long neglected manuscript and newspaper sources and especially on reminiscences of people who knew him this psychobiography casts new light on Lincoln Burlingame uses a blend of Freudian and Jungian theory to interpret the psyche of the 16th president **Lincoln Herald**, 2003 **The Women in Lincoln's Life** H. Donald Winkler, 2001 This book reveals the effect that women had on Abraham Lincoln's life and career Obviously the author examines his sudden and unexpected marriage to Mary Todd possibly Lincoln's greatest tragedy She also looks at how Lincoln was affected by his mother's death when he was only nine years and the discovery that his mother's ancestry and reputation were scandalous and that he may have been illegitimate Other women also impacted Lincoln by their deaths the unexpected death of his beloved sister Sarah and the untimely death of Ann Rutledge probably the only woman with whom Lincoln shared a deep wonderful love The author also examines the positive impacts of women on Lincoln and he on them especially his stepmother the first person to treat him with respect **Illinois Historical Journal**, 1998 **Wisconsin Magazine of History** Milo Milton Quaife, Joseph Schafer, Edward Porter Alexander, 1997 *The Political Lincoln* Paul Finkelman, Martin J. Herschok, 2009 Expansive coverage of the life politics and legacy of one of the United States most influential presidents **Abraham Lincoln** Allen C. Guelzo, 1999 This text is a unique intellectual biography of America's most celebrated president It fills a conspicuous void by shedding new light not only on Lincoln but also on the religious and intellectual culture of the nineteenth century *An Unmarked Trail* Harlington Wood (Jr.), 2008 **Lincoln's Quest for Union** Charles B. Strozier, 2001 This is a remarkable book with extraordinary insights about the
