Regionalism and Regional Security in South Asia Zahid Shahab Ahmed, 2016-04-08 Zahid Shahab Ahmed evaluates the progress of the South Asian Association for Regional Cooperation SAARC This study goes beyond economic integration to present a detailed appraisal of cooperation under the overarching themes of economic cooperation environmental security human welfare and cooperation in security matters According to the author SAARC is making progress in addressing the myriad of issues on its agenda The transition from agreements to actions and frequent interactions among the member states has boosted confidence The progress of SAARC is more evident in the less controversial areas of human security such as poverty alleviation health and safety human resources development and higher education Notwithstanding enthusiastic commitments reflected in agreements and action plans there is a gulf between rhetoric and implementation most notably in sensitive areas relating to traditional security In the light of the findings of this study the author proposes that greater cooperation in common human security areas has a potential to pave the way for a

cooperation on issues of a contentious nature particularly terrorism

From Africa to Afghanistan Greg Mills, 2007 This book documents renowned South African international relations academic Greg Mills's journey from South Africa to Afghanistan where by invitation of the commander of the ninth International Security Assistance Force ISAF he was asked to help establish a civilian think tank within the ISAF headquarters in Kabul This challenging task forced Mills to ask himself how to put into effect the theory of 20 years of academic study and policy advice and actually be able to make a difference on the ground This is not another book about the war in Afghanistan It is a challenge to political scientists and academics the world over to be the change you wish to see in the world to paraphrase Mahatma Gandhi Aside from the personal impact such reading can have on ever idealistic peace builders the academic value of the book lies in Mills's analysis of the challenges of trying to simultaneously stabilize and build a state with massive external involvement while also countering a violent insurgency
