Robinson, 2018-07-06 A brand new collection of short stories from the slightly barking imagination of Neil Robinson Each tall tale he promises is absolutely true but then if that's the case why has he called them Shaggy Dog Stories Perhaps because life is one long shaggy dog story and the tales in this collection contain at least a kernel or maybe that should be kennel of truth as best he understands it anyway Which is not to say that any of these stories are preachy Far from it they are designed first and foremost to entertain Should one or two lead you to ponder on life truth and relationships well that's a bonus surely So enjoy exercising each of these shaggy dogs maybe one will even bring back a stick for you *The Shaggy*

Dog & Other Stories John Pascal, 2017-07-31 Here is John Pascal once again with a new book of entertaining fictional collection of sixteen Shaggy Dog stories and four more traditional tales one a novelette Saki H H Munro and O Henry William Sidney Porter wrote short stories with surprise endings but mainly satirical not comedic As Pascal tells us in his Preface to them All Shaggy Dog tales are comedies high or low depending upon their subject matter and the writers art Briefly getting to the conclusion of a good Shaggy Dog story can be well worth the wait and in a truly great one there can be a lot of fun along the way And he would agree that since traditionally these anecdotes have been related orally at a Club bar or other private or limited venues they have not been given the attention they deserve nor the entertainment they would provide to a larger audience **Hindbury's Run: An Illustrated Animal Story** Madeleine Watson, Hindbury's Run was written in 1978
