Shaker Of The Speare:

The Companion to Shaker of the Speare Ross Jackson,2005 In The shaker of the speare Ross Jackson tells the story of Francis Bacon and claims that he was both the secret son of Elizabeth I and the true author of Shakespeare s works Here in the companion to his novel Jackson gives the evidence to show that his claims are not only true but increasingly difficult to dismiss Bacon is Shake-Speare Edwin Sir Durning-Lawrence,2022-09-15 In Bacon is Shake Speare Edwin Sir Durning

Lawrence embarks on a pioneering examination of the contentious authorship debate surrounding the works of William Shakespeare This text intricately weaves elements of literary analysis historical context and biographical inquiry positing that one of the most brilliant literary figures of the English Renaissance Sir Francis Bacon is the true author of the plays and sonnets traditionally attributed to Shakespeare Durning Lawrence employs a compelling narrative style that balances scholarly rigor with accessible language making the intricate arguments resonate with both academics and literary enthusiasts alike Sir Edwin Durning Lawrence an influential 19th century writer and scholar was deeply intrigued by the complexities of Shakespearean authorship spurred by the intellectual environment of his time that questioned established literary narratives His background in classical literature and a keen interest in Bacon s philosophical writings inspired him to synthesize historical documents linguistic patterns and thematic parallels ultimately presenting a case that challenges long held convictions about the Bard s identity and oeuvre This book is an essential read for anyone captivated by literary puzzles the historical context of Elizabethan England or the ongoing debates in literary scholarship Durning Lawrence s thorough research and provocative assertions compel readers to reconsider not just the works of Shakespeare but the very nature of authorship itself **Bacon is Shake-Speare** Edwin Durning-Lawrence,2025-08-23 Reproduction of the original The
