

SHAKESPEARE AND HIS WELSH
CHARACTERS [CA. 1919]
ARTHUR EDWARD HUGHES

Shakespeare And His Welsh Characters

Marisa R. Cull

Shakespeare And His Welsh Characters:

Shakespeare and His Welsh Characters Arthur Edward Hughes, 1919 *Shakespeare and His Welsh Characters* Arthur E. Hughes, 1929 *Shakespeare's Princes of Wales* Marisa R. Cull, 2014

Shakespeare's Princes of Wales spotlights the surprising abundance of princes of Wales English and Welsh alike appearing onstage in the late Tudor and early Stuart period. In drawing our attention to the oft overlooked and frequently misunderstood Welsh inheritance and in investigating its staged and shadowed heirs in plays and court performances by Shakespeare, Peele, Fletcher, Jonson and more, Marisa R. Cull suggests that the growing scholarly interest in Wales's influence on English national identity must be conditioned by the political and theatrical specificity of the principedom. Illuminating the principedom's unique role as an extension of the Welsh past in contemporary England, *Shakespeare's Princes of Wales* reveals early modern English culture's understanding of the principedom as linked to England's most pressing national crises: the tenuous connection between bloodline and succession, the anxiety over England's native strength and the fraught process of fashioning a British state. In the pages of this book we meet familiar characters, Hal Glendower, Fluellen and more, wholly transformed through the added insights about the principedom and encounter long ignored or forgotten heirs meaningfully resurrected for the insights they provide on the Anglo-Welsh past. In telling the story of the early modern principedom, *Shakespeare's Princes of Wales* offers new insights not only into that period's politics and theater but also into a title that survives in continued complexity to this day.

Shakespeare and Wales Professor Philip Schwyzer, Professor Willy Maley, 2013-04-28

Shakespeare and Wales offers a Welsh correction to a long standing deficiency. It explores the place of Wales in Shakespeare's drama and in Shakespeare criticism, covering ground from the absorption of Wales into the Tudor state in 1536 to Shakespeare on the Welsh stage in the twenty-first century. Shakespeare's major Welsh characters, Fluellen and Glendower, feature prominently, but the Welsh dimension of the histories as a whole. *The Merry Wives of Windsor* and *Cymbeline* also come in for examination. The volume also explores the place of Welsh identified contemporaries of Shakespeare such as Thomas Churchyard and John Dee and English writers with pronounced Welsh interests such as Spenser, Drayton and Dekker. This volume brings together experts in the field from both sides of the Atlantic, including leading practitioners of British Studies, in order to establish a detailed historical context that illustrates the range and richness of Shakespeare's Welsh sources and resources and confirms the degree to which Shakespeare continues to impact upon Welsh culture and identity even as the process of devolution in Wales serves to shake the foundations of Shakespeare's status as an unproblematic English or British dramatist.

Shakespeare and His Welsh Characters Hughes Arthur Edward D 1918, 2013-01

Unlike some other reproductions of classic texts 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they

deserve to be made available for future generations to enjoy **Shakespeare and his Welsh Characters. By Arthur E. Hughes ... Reprinted ... from the Journal of the Honourable Society of Cymmrodorion** Shakespeare Association (Great Britain), Arthur Edward HUGHES, 1923 *Shakespeare and his Welsh characters* Arthur E. Hughes, 1918
