R. Fairchild,1972 Shakespeare's Artists B. J. Sokol,2018-01-25 This study of the many poets musicians and visual artists portrayed or described in Shakespeare s plays and poems reveals a fascination with art and its makers that continued to influence Shakespeare s work throughout his career It also uncovers unexpected aspects of an enthusiastic Elizabethan consumption of artworks an enthusiasm that had significant bearing on the quite new profession that Shakespeare himself followed A high valuation placed on art and artists and at the same time certain fears of these and fears for these made for a very complex reception of the figure of the artist and Shakespeare s treatments were equal to that complexity **The Philosophy of Art in America, a Dissertation Upon Vital Topics of the Day** Charles Henry Miller,1885 *The University of Missouri Studies* University of Missouri--Columbia,1937 **Art and Literature** William S.
