

SHAKESPEARE: THE LAST PLAYS

Edited and Introduced by RICHARD B. Sewall

Shakespeare The Last Plays

Peter Augustin DANIEL

Shakespeare The Last Plays:

Shakespeares Last Plays F.A. Yates, 2013-10-08 This is Volume VI in the selected works of Frances Yates providing a new approach to Shakespeare's last plays First published in 1975 these are a collection of lectures that offer the new thinking about certain ideas concerning Shakespeare's relation to the problems and thought currents of his times

Shakespeare's Late Plays Jennifer Richards, 2019-08-07 This new collection reflects a resurgence of interest in Shakespeare's plays performed between 1608 and 1613 Pericles Cymbeline The Winter's Tale The Tempest All is True Henry VIII The Two Noble Kinsmen and Cardenio It offers a broad range of new historicist approaches touching upon key topics in current Shakespearean studies such as kinship relations manliness magic medico politics nationalism rhetoric schism sexuality and staging conventions The plays are explored both individually and within generic thematic and chronological groups Each author combines new research with their experience of teaching the plays offering innovative approaches to some well known works as well as encouraging readers to explore less familiar dramas such as Pericles Cymbeline All is True and The Two Noble Kinsmen The volume is unusual in its coverage of the lost late play Cardenio and considers its significance for our conception of the lateness of these plays This book will fill a large gap in the market for a broad ranging critical introduction to this important and increasingly popular area in Shakespeare's work and is suitable as a textbook for undergraduate graduate and more general readers

Catholic Theology in Shakespeare's Plays David N. Beauregard, 2008 Explores and reexamines Shakespeare's theology from the standpoint of revisionist history of the English Reformation

Shakespeare Kiernan Ryan, 2014-06-11 This is the first collection of criticism on Shakespeare's romances to register the impact of modern literary theory on interpretations of these plays Kiernan Ryan brings together the most important recent essays on Pericles Cymbeline The Winter's Tale and The Tempest the greatest of the last plays staging a dynamic debate between feminist poststructuralist psychoanalytic and new historicist views of the masterpieces Shakespeare wrote at the close of his career The book aims not only to anthologise accounts of the last plays by leading Shakespearean critics including Stephen Greenblatt Janet Adelman Leah Marcus Howard Felperin and Steven Mullaney but also to dramatise what is at stake in the choice of a particular critical approach It allows the student to compare the strengths and limitations of a deconstructive and a feminist reading of the same romance or to test the plausibility of one psychoanalytic angle on the last plays against another The headnotes that preface the essays highlight their distinctive slants on Shakespearean romance unpack the theoretical assumptions that steer their interpretations and throw into relief the key points at which their authors collide or converge The editor's introduction places the essays in the context of twentieth century criticism of the last plays and makes a powerful case for a fundamental reappraisal of Shakespearean romance The comprehensive fully annotated bibliography provides an unrivalled guide to further reading on all four plays

The New Cambridge Bibliography of English Literature George Watson, Ian Roy Willison, 1974

The Cambridge Bibliography of

English Literature Frederick Wilse Bateson, 1940 *Shakespeare's Stage Traffic* Janet Clare, 2014-01-09 Shakespeare's unique status has made critics reluctant to acknowledge the extent to which some of his plays are the outcome of adaptation. In *Shakespeare's Stage Traffic* Janet Clare re-situates Shakespeare's dramaturgy within the flourishing and competitive theatrical trade of the late sixteenth and early seventeenth centuries. She demonstrates how Shakespeare worked with materials which had already entered the dramatic tradition and how in the spirit of Renaissance theory he moulded and converted them to his own use. The book challenges the critical stance that views the Shakespeare canon as essentially self-contained, moves beyond the limitations of generic studies and argues for a more conjoined critical study of early modern plays. Each chapter focuses on specific plays and examines the networks of influence, exchange and competition which characterised stage traffic between playwrights including Marlowe, Jonson and Fletcher. Overall, the book addresses multiple perspectives relating to authorship and text performance and reception.

Shakespeare's Last Plays Eustace Mandeville Wetenhall Tillyard, 1983 A study of *Cymbeline*, *The Winter's Tale* and *The Tempest*.

Shakespeare's Poetics Sarah Dewar-Watson, 2017-09-18 The startling central idea behind this study is that the rediscovery of Aristotle's *Poetics* in the sixteenth century ultimately had a profound impact on almost every aspect of Shakespeare's late plays: their sources, subject matter and thematic concerns. *Shakespeare's Poetics* reveals the generic complexity of Shakespeare's late plays to be informed by contemporary debates about the tonal and structural composition of tragicomedy. Author Sarah Dewar-Watson re-examines such plays as *The Winter's Tale*, *Pericles* and *The Tempest* in light of the important work of reception which was undertaken in Italy by pioneering theorists such as Giambattista Giraldis Cinthio (1504-73) and Giambattista Guarini (1538-1612). The author demonstrates ways in which these theoretical developments filtered from their intellectual base in Italy to the playhouses of early modern England via the work of dramatists such as Jonson and Fletcher. Dewar-Watson argues that the effect of this widespread revaluation of genre not only extends as far as Shakespeare but that he takes a leading role in developing its possibilities on the English stage. In the course of pursuing this topic, Dewar-Watson also engages with several areas of current scholarly debate: the nature of Shakespeare's authorship; recent interest in and work on Shakespeare's later plays; and new critical work on Italian language learning in Renaissance England. Finally, *Shakespeare's Poetics* develops current critical thinking about the place of Greek literature in Renaissance England, particularly in relation to Shakespeare.

Shakespeare Kiernan Ryan, 2014-06-11 This is the first collection of criticism on Shakespeare's romances to register the impact of modern literary theory on interpretations of these plays. Kiernan Ryan brings together the most important recent essays on *Pericles*, *Cymbeline*, *The Winter's Tale* and *The Tempest*, the greatest of the last plays, staging a dynamic debate between feminist, poststructuralist, psychoanalytic and new historicist views of the masterpieces Shakespeare wrote at the close of his career. The book aims not only to anthologise accounts of the last plays by leading Shakespearean critics including Stephen Greenblatt, Janet Adelman, Leah Marcus, Howard Felperin and Steven Mullaney but also to dramatise what

is at stake in the choice of a particular critical approach It allows the student to compare the strengths and limitations of a deconstructive and a feminist reading of the same romance or to test the plausibility of one psychoanalytic angle on the last plays against another The headnotes that preface the essays highlight their distinctive slants on Shakespearean romance unpack the theoretical assumptions that steer their interpretations and throw into relief the key points at which their authors collide or converge The editor's introduction places the essays in the context of twentieth century criticism of the last plays and makes a powerful case for a fundamental reappraisal of Shakespearean romance The comprehensive fully annotated bibliography provides an unrivalled guide to further reading on all four plays *Shakespeare's Last Plays* Eustace Mandeville Wetenhall Tillyard, 1962 *Shakespeare's Last Plays* Eustace M. Tillyard, 2014-01-13 Shakespeare's Last Plays was the first of E M W Tillyard's influential works on Shakespeare In it Dr Tillyard argues that the last plays Cymbeline The Winter's Tale and The Tempest develop patterns found in the earlier works He shows how Shakespeare intertwines reconciliation the final phase of the tragedies with an awareness of possible worlds where the natural and supernatural have equal status and concludes that The Tempest by subordinating his tragic pattern is his greatest achievement

Shakespeare's last plays Frances Amelia Yates, 1975 [The Cambridge Companion to Shakespeare's Last Plays](#) Catherine M. S. Alexander, 2009-07-16 In this book leading international Shakespeare scholars consider the significant characteristics of Shakespeare's last plays and place them in their Jacobean context **Film Adaptations of**

Shakespeare's Plays Charles Livermore Hurtgen, 1962 **Revisiting The Tempest** Silvia Bigliazzi, 2014-02-20 Revisiting The Tempest offers a lively reconsideration of how The Tempest encourages interpretation and creative appropriation It includes a wide range of essays on theoretical and practical criticism focusing on the play's original dramatic context on its signifying processes and its present time screen remediation **Shakespeare's Plays in Performance** John Russell

Brown, 1967 **Shakespeare's Last Plays** E M W (Eustace Mandevill Tillyard, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Notes and Conjectural Emendations of**

Shakespeare The Last Plays Introduction

In today's digital age, the availability of Shakespeare The Last Plays books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shakespeare The Last Plays books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shakespeare The Last Plays books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shakespeare The Last Plays versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shakespeare The Last Plays books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shakespeare The Last Plays books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shakespeare The Last Plays books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational

institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shakespeare The Last Plays books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shakespeare The Last Plays books and manuals for download and embark on your journey of knowledge?

FAQs About Shakespeare The Last Plays Books

1. Where can I buy Shakespeare The Last Plays books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
