John Tulloch

Shakespeare And Chekhov In Production And Reception:

Shakespeare and Chekhov in Production and Reception John Tulloch, 2009-05 With a focus on the canonical institutions of Shakespeare and Chekhov John Tulloch brings together for the first time new concepts of the theatrical event with live audience analysis Using mainstream theatre productions from across the globe that were highly successful according to both critics and audiences this book of case studies ethnographies of production and reception offers a combined cultural and media studies approach to analyzing theatre history production and audience Tulloch positions these concepts and methodologies within a broader current theatrical debate between postmodernity and risk modernity He also describes the continuing history of Shakespeare and Chekhov as a series of stories currently and locally told in the context of a blurring of academic genres that frames the two writers Drawn from research conducted over nearly a decade in Australia Britain and the U S Shakespeare and Chekhov in Production and Reception will be of interest to students and scholars of theatre studies media studies and audience research

Shakespeare's Reception and Interpretation in the Baltics Ramunė Marcinkevičiūtė, Maris Peters, Guna Zeltiņa, 2023-11-13 This book is the first collection of research in English devoted to interpretations of Shakespeare's works in all three Baltic countries using historical structural and comparative analysis The purpose of this edited collection written by leading Shakespeare researchers in the Baltics is to introduce international readers to the unique experience of Baltic theatre to analyse the importance of Shakespeare's appropriation during the process of development of Baltic national culture and to highlight the key tendencies and personalities involved in this process This book will provide rich informative and analytical material for students teachers lecturers and researchers of Shakespeare as well as theatre theoreticians and practitioners

Shakespeare's Audiences Matteo Pangallo, Peter Kirwan, 2021-03-28 Shakespeare wrote for a theater in which the audience was understood to be and at times invited to be active and participatory How have Shakespeare's audiences from the sixteenth century to the present responded to that invitation In what ways have consumers across different cultural contexts periods and platforms engaged with the performance of Shakespeare's plays What are some of the different approaches taken by scholars today in thinking about the role of Shakespeare's audiences and their relationship to performance The chapters in this collection use a variety of methods and approaches to explore the global history of audience experience of Shakespearean performance in theater film radio and digital media The approaches that these contributors take look at Shakespeare's audiences through a variety of lenses including theater history dramaturgy film studies fan studies popular culture and performance Together they provide both close studies of particular moments in the history of Shakespeare's audiences and a broader understanding of the various often complex connections between and among those audiences across the long history of Shakespearean performance

The Drama, Theatre and Performance Companion Michael Mangan, 2013-05-14 This complete companion to the study of drama theatre and performance studies is an essential reference point for students undertaking or

preparing to undertake a course either at university or at drama school Designed as a single reference resource it introduces the main components of the subject the key theories and thinkers as well as vital study skills Written by a highly regarded academic and practitioner with a wealth of expertise and experience in teaching Mangan takes students from studio to stage from lecture theatre to workshop covering practice as well as theory and history Reliable and comprehensive this guide is invaluable throughout a degree or course at various levels It is essential reading for undergraduate students of Drama Theatre and Performance Studies at universities drama schools and conservatoires as well as AS and A Level students studying Drama and Theatre who are considering studying the subject at degree level **Annual Bibliography of English**

Language and Literature Modern Humanities Research Association,2005 Includes both books and articles Choice,2005 *The Routledge Companion to Performance Practitioners* Franc Chamberlain,Bernadette Sweeney,2020-08-16 The Routledge Companion to Performance Practitioners collects the outstanding biographical and production overviews of key theatre practitioners first featured in the popular Routledge Performance Practitioners series of guidebooks Each of the chapters is written by an expert on a particular figure from Stanislavsky and Brecht to Laban and Decroux and places their work in its social and historical context Summaries and analyses of their key productions indicate how each practitioner s theoretical approaches to performance and the performer were manifested in practice All 22 practitioners from the original series are represented with this volume covering those born before the end of the First World War This is the definitive first step for students scholars and practitioners hoping to acquaint themselves with the leading names in performance or deepen their knowledge of these seminal figures *Book Review Index*,2006 Every 3rd issue is a quarterly cumulation
