Stephen J. Lynch

Shakespearean Intertextuality Studies In Selected Sources And Plays

Rosina Ehmann

Shakespearean Intertextuality Studies In Selected Sources And Plays:

Shakespearean Intertextuality Stephen J. Lynch, [Shakespeare's Stage Traffic](#) Janet Clare, 2014-01-09 Contesting the notion of Shakespeare as originator Clare demonstrates how Shakespeare adapted imitated and borrowed from the work of others

Shakespeare's Books Stuart Gillespie, 2016-02-25 Shakespeare's Books contains nearly 200 entries covering the full range of literature Shakespeare was acquainted with including classical historical religious and contemporary works The dictionary covers works whose importance to Shakespeare has emerged more clearly in recent years due to new research as well as explaining current thinking on long recognized sources such as Plutarch Ovid Holinshed Ariosto and Montaigne Entries for all major sources include surveys of the writer's place in Shakespeare's time detailed discussion of their relation to his work and full bibliography These are enhanced by sample passages from early modern England writers together with reproductions of pages from the original texts Now available in paperback with a new preface bringing the book up to date this is an invaluable reference tool

Shakespearean Intertextuality Stephen Lynch, 1998-11-19 Examines Shakespeare's refashioning of his primary source texts in *As You Like It* *King Lear* *Pericles* and *The Winter's Tale* in light of contemporary critical and theoretical interests

[Revisiting Shakespeare's Italian Resources](#) Silvia Bigliazzi, 2024-07-31 Revisiting Shakespeare's Italian Resources is about the complex dynamics of transmission and transformation of the Italian sources of twelve Shakespearean plays from *The Two Gentlemen of Verona* to *Cymbeline* It focuses on the works of Sir Giovanni Fiorentino Da Porto Bandello Ariosto Dolce Pasqualigo and Groto as well as on commedia dell'arte practices This book discusses hitherto unexamined materials and revises received interpretations disclosing the relevance of memorial processes within the broad field of intertextuality vis vis conscious reuses and intentional practices

Shakespearean Intertextuality Stephen Lynch, 1998-11-19 In reshaping Lodge's *Rosalynde* into *As You Like It* Shakespeare not only undermines the Petrarchan and pastoral traditions of the romance but also refutes the implicit gender structures upon which such Petrarchanisms are based In refashioning *The True Chronicle Historie of King Leir* into the tragedy of *King Lear* Shakespeare does not simply reject the explicit Christian setting and happy ending of *Leir* but engages and responds to the highly Reformational and Calvinistic assumptions that shape and inform the source play In rewriting Greene's *Pandosto* into *The Winter's Tale* Shakespeare not only adapts the plot and characterization of the source but consistently counters and refutes the rhetorical and linguistic structures of Greene's romance And in *Pericles* Shakespeare adapts the Appolinus story from Gower's *Confessio Amantis* but also responds to suggestions in the source text about the authority of the role of the author

[African Shakespeare](#) Ifeoluwa Aboluwa, Serena Talento, Pepetual Mforbe Chiangong, Oliver Nyambi, 2025-02-17 *African Shakespeare Subversions Appropriations Negotiations* uncovers the multidimensional inventions synergies and experimentations that have emerged from performative political literary and conceptual encounters with Shakespeare and his oeuvre in African contexts Divided into three broad and overlapping parts

the chapters of the book critically explore issues of decoloniality and postcoloniality nation building and state corruption history and memory gender and feminism translation and adaptation from diverse theoretical standpoints The book displaces the emphasis on Shakespeare's works to productively illuminate the multi-layered significance of African epistemes politico-aesthetics languages and socio-cultural realities to the practice and process of literary and theatrical intervention and creation Building on and extending extant scholarship in the field of African Shakespeare the contributions in the volume not only enhance knowledge of African Shakespearean creations but also enrich African Studies and Shakespeare Studies by opening up new possibilities for transdisciplinary dialogues and cross-fertilization The book will be useful for students and scholars of African Theatre and Performance Cultural Studies Global Shakespeare Studies Translation and Adaptation Studies and Post-colonial Studies **Shakespeare and Intertextuality** Michele Marrapodi,2000 The QPB Companion to Shakespeare ,2002

The Narrator, the Expositor, and the Prompter in European Medieval Theatre Philip Butterworth,2007 This work examines the role of the prompter who operated in full view of the audience and offered all the lines to the players Such a role and its function is fascinating not only in its own right but also in relation to how it might inform us about the nature and purpose of presented theatre **Shakespeare Quarterly** ,2004 **U.C. Davis Law Review** University of California, Davis. School of Law,2007-11 **Theatre History Studies** ,1998 **Fathers and**

Daughters in Shakespeare and Shaw Lagretta Lenker,2001-04-30 How can the most silent member of the family carry the message of subversion against venerated institutions of state and society Why would two playwrights writing 300 years apart employ the same dramatic methods for rebelling against the establishment when these methods are virtually ignored by their contemporaries This book considers these and similar questions It examines the historical similarities of the eras in which Shakespeare and Shaw wrote and then explores types of father-daughter interactions considering each in terms of the existing power structures of society These two dramatists draw on themes of incest daughter-sacrifice role-playing education and androgyny to create both active and passive daughters The daughters literally represent a challenge to the patriarchy and metaphorically extend that challenge to such institutions as church and state The volume argues that the father-daughter relationship was the ideal dramatic vehicle for Shakespeare and Shaw to advance their social and political agendas By exploring larger issues through the father-daughter relationship both playwrights were able to avoid the watchful eyes of censors and comment on such topics as the divine right of kings filial bonds of obedience and even regicide

Shakespeare's Unorthodox Biography Diana Price,2001 It successfully argues that William Shakespeare was the pen name of an aristocrat and that William Shakespeare of Stratford-upon-Avon was a shrewd entrepreneur not a dramatist
BOOK JACKET **Choice** ,2009 Bibliographic Index ,1999 **The Best Books for Academic Libraries** ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers **As You Like It** Stephen Lynch,2003-09-30 This guide includes a discussion of the play's textual history a detailed plot summary a

discussion of major themes and critical approaches and more *Dramatists and the Bomb* Charles A. Carpenter, 1999-05-30

While the atomic bombing of Hiroshima and Nagasaki secured an American victory in the Pacific and hastened the end of World War II it also ushered in an era of fear When the Soviets developed an atomic bomb the United States ceased to be the world's only nuclear power Americans feared a nuclear attack by the Soviets while the British worried about being drawn into a nuclear conflict for which they were utterly unprepared and particularly vulnerable The threat of nuclear war left a lasting mark on the British and American imagination Like other creative artists playwrights began to grapple with the terrifying implications of a nuclear holocaust This study reveals how English speaking dramatists both major and minor reacted to the stunning events of the Atomic Age and the early thermonuclear era Moving from American to British responses the book describes more than 25 plays and quotes a variety of reflections on the bombing of Japan the evolution of the Cold War the development of more and more refined atomic weapons the proliferation of fallout shelters and the occurrence of strategic crises such as those in Suez Berlin and Cuba The American plays are generally inferior to the British with less experienced playwrights attacking a wide range of subject matter and experimenting with several dramatic styles British plays more frequently protest the threatened imposition of an American Soviet conflict upon their offshore island The book concludes with a study of how Samuel Beckett's *Endgame* reflects a human dilemma distinctive to the Nuclear Age

Uncover the mysteries within Explore with is enigmatic creation, **Shakespearean Intertextuality Studies In Selected Sources And Plays** . This downloadable ebook, shrouded in suspense, is available in a PDF format (Download in PDF: *). Dive into a world of uncertainty and anticipation.
