## **Peace And Justice In The Scriptures Of The World Religions:**

*The World's Religions after September 11* Arvind Sharma, 2008-11-30 This set is an unprecedented examination of religion's influence on modern life an honest assessment of how religion can either destroy us or preserve us and a thorough exploration of what steps might be necessary for all religions to join together as a force for good Convening on the fifth anniversary of the terrorist attack on the World Trade Center the global congress *The World's Religions after September 11* explored the negative and positive possibilities of the religious dimensions of life The presentations from the congress have been pulled together in this set which addresses religion's intersection with human rights spirituality science healing the media international diplomacy globalization war and peace and more This comprehensive set includes contributions from such well known scholars of religion as Arvind Sharma and a host of others from all the world's religious traditions This set is an unprecedented examination of religion's influence on modern life an honest assessment of how religion can either destroy us or preserve us and a thorough exploration of what steps might be necessary for all religions to join together as a force for good Because of the attack on the World Trade Center on September 11 2001 the very concept of religion underwent a paradigm shift Instead of standing for virtue and piety peace and harmony the word religion also came to be inextricably associated with evil aggression and terror People around the world began to question whether the religious and secular dimensions of modern life can be reconciled whether the different religions of the world can ever coexist in harmony Indeed the very future of religion itself has sometimes seemed to be uncertain or at least suspect **The World's Religions** Arvind Sharma, 2010-10-01 This wide ranging reader combines some of the best and most valuable contemporary perspectives from leading and significant writers teachers and thinkers who together address critical challenges and opportunities for the world's religions in a post 9 11 world Edited by Arvind Sharma and organized by topic the essays in this reader consider broad questions such as What influence does religion have on contemporary life The thematic arrangement of topics includes diverse religious perspectives on war terror peace human rights pluralism diversity gender spirituality the interreligious dialogue international diplomacy and globalization **Peace and Justice in the Scriptures of the World Religions** Denise Lardner Carmody, John Carmody, 1988 Peace and justice in the scriptures of the world religions explores the important scriptural texts from the Hindi Bhagava Gita the Buddhist Dhammapada the Confucian Analects the Taoist Te Ching the Jewish Talmud and the Muslim Qur'an to reveal their wisdom about how human beings may live together in peace and justice The authors Denise Lardner Carmody and John Tully Carmody provide the historical and philosophical background for each tradition and scripture Throughout it emerges that all the texts stress the conversion of the individual to the wisdom the tradition preaches The beginnings of peace and justice are believed to lie in one's spirituality The authors also sum up how such personal conversions require structural change in society if they are to be socially effective The point so strongly made is that the world can share a common ethic Back cover *Scriptures of the World's Religions* James

Fieser, John Powers, 2004 This anthology of scriptures from the world's living religions offers selections that vary in length from a few paragraphs to 10 pages accompanied by brief introductions that discuss the nature and scope of scripture within each religion as well as the history of each scripture presented The anthology is also available in two volumes *Scriptures of The East* contains sacred writings of Hinduism Jainism Buddhism Sikhism Confucianism Taoism Shinto and indigenous religions of the East *Scriptures of The West* contains sacred writings of Zoroastrianism Judaism Christianity Islam the Baha'i faith and indigenous religions of the West Perspectives on Science and Christian Faith, 1991 Journal of Ecumenical Studies, 1991 Peacemaking and the Challenge of Violence in World Religions Irfan A. Omar, Michael K. Duffey, 2015-06-22

Shenk, 1995-09-08 David W. Shenk covers the major current human options for making meaning out of life Shenk identifies more local religious options and four truly global options Buddhism Christianity Islam and Marxism *Global Gods* is a fresh approach to comparative religions It is a substantial contribution to the developing literature and widespread interest concerning the role of religion in human society *Krisenregion Südostasien* Michael Waibel, 2006 *Studies in Formative Spirituality*, 1990 *Islamic Jurisprudence*, 2001 *Reconciliation in Cambodia* Meng-Try Ea, 2007 Church and State in Historical Perspective James E. Wood, 2005-05-30 The subject of church and state is one intimately associated with the history of Christianity and Western civilization However the subject is one that is by no means limited to any one religious tradition civilization or period of history Rather it is a subject that has historical and universal significance to all cultures and religious traditions throughout the world It is simply undeniable that religion has been and remains a powerful force in the making and shaping of cultures civilizations nations and empires For this reason this volume addresses the broader perspectives of religion and the state in the ancient world as well as in the biblical world of Judaism and Christianity and in other religious traditions than Christianity Attention is given to general works on church and state that treat the subject broadly not limited to any particular nation religious tradition or single aspect of church state relations Additionally there is material on major topics integrally related to church and state such as civil disobedience civil religion liberation theology patriotism and nationalism

Finally sources are included on religion in international affairs and interfaith relations both necessarily linked to the subject of church and state as well as religion and the economic order religion and human rights and the effect of religion on war and peace     *Anthology of World Scriptures* Robert E. Van Voorst,1997 This anthology includes the most notable and instructive scriptures of Hinduism Buddhism Jainism Sikhism Confucianism Taoism Shinto Zoroastrianism Judaism Christianity and Islam The context for applying these readings is also provided through a short introduction at the beginning of each chapter     **International Mission Bibliography** Norman E. Thomas,2003-10-16 This massive reference is the key to finding the most important works on missiology published from 1960 2000 Representing the research of more than 30 sub editors in mission related disciplines including history theology social aspects education evangelism spirituality and political life and includes sections on Africa the Americas Asia Europe and Oceania Complete publication details and ISBNs are given for each entry     **Index to Book Reviews in Religion** ,1998     Education for Action Sean Brooks,Alison Knowles,1995
