**Donald L. Gelpi**

## **Peirce Value Theory On Peircean Ethics Aesthetics:**

*Peirce and Value Theory* Herman Parret, 1994-07-14 Most of the essays collected in this book were presented at the Charles S Peirce Sesquicentennial Congress Harvard University September 1989 The volume is devoted to themes within Peirce's value theory and offers a comprehensive view of less known aspects of his influential philosophy in particular Peirce's work on ethics and aesthetics The book is divided in four sections Section I discusses the status of ethics as a normative science and its relation with logic some applications are presented e.g. in the field of bioethics Section II investigates the specific position of Peircean aesthetics with regard to classical American philosophy especially Buchler to Husserlian phenomenology and to European structuralism Saussure Jakobson Section III contains papers on internal aspects of Peirce's aesthetics and its place in his thought The final section presents applications of Peirce's aesthetic theory analyses of visual art mainly paintings of literary texts and of musical meaning

**American Aesthetics** Walter B. Gulick, Gary Slater, 2020-05-01 Although there are distinctly American artists Walt Whitman Herman Melville Grandma Moses Thomas Hart Benton and Andy Warhol for example very little attention has been devoted to formulating any distinctively American characteristics of aesthetic judgment and practice This volume takes a step in this direction presenting an introductory essay on the possibility of such a distinctly American tradition and a collection of essays exploring particular examples from a variety of angles Some of the essays in this collection extend pragmatist and process insights about the important place aesthetics has in molding and assessing experience Other essays examine the place of American aesthetics in relation to such particular forms of art as painting literature music and film Three essays attend to the aesthetic aspects of a flourishing life In each of the essays American aesthetics is understood to arise out of deeply felt personal historical and cultural backgrounds Consequently not only are such relatively abstract notions as harmony fit elegance proportion and the like involved in aesthetic judgment but also religious political and social factors become embroiled in aesthetic discernment Thus the ongoing pattern of American aesthetics is shown to be distinguishable from such other varieties of aesthetic thought as analytic aesthetics New Criticism and postmodern approaches to aesthetics

*The Gracing of Human Experience* Donald L. Gelpi, 2008-04-01 This study ponders different ways Christian thinkers understood humanity in its relationship to divine grace It names fallacies that have in the past skewed theological understanding of that relationship It argues that the philosophy of Charles Sanders Peirce avoided those same fallacies and provides a novel frame of reference for rethinking the theology of grace The author shows how the insights of other American philosophers flesh out undeveloped aspects of Peirce's thought He formulates a metaphysics of experience derived from his philosophical analysis Finally he develops an understanding of supernatural grace as the transmutation and transvaluation of human experience

**Peirce's Account of Purposefulness** Gabriele Gava, 2014-05-23 This book presents a systematic interpretation of Charles S Peirce's work based on a Kantian understanding of his teleological account of thought and inquiry Departing from readings that contrast Peirce's treatment of

purpose end and teleology with his early studies of Kant Gabriele Gava instead argues that focusing on Peirce's purposefulness as a necessary regulative in the Kantian sense condition for inquiry and semiotic processes allows for a transcendental interpretation of Peirce's philosophical project The author advances this interpretation through presenting original views on aspects of Peirce's thought including a detailed analysis of Peirce's methodic and speculative rhetoric as well as his critical common sensism a comparison between Peirce's and James pragmatism in view of the account of purposefulness Gava puts forth and an examination of the logical relationships that order Peirce's architectonic classification of the sciences

**Charles S. Peirce' Theorie natürlicher Sprache und ihre Relevanz für die Linguistik** Daniel H. Rellstab, 2007

**Varieties of Transcendental Experience** Donald L. Gelpi, 2007-08-15 This study traces the critique of Enlightenment modernism that began with Ralph Waldo Emerson and culminated in the thought of Charles Sanders Peirce and the mature Josiah Royce Varieties of Transcendental Experience argues that these thinkers provide a constructive alternative to deconstructionist postmodernism that is compatible with the Christian faith

**Empathie und Distanz** Ernest W. B. Hess-Lüttich, Joachim Warmbold, 2009 Bei vielen Germanisten die an interkulturellen Fragen interessiert sind nimmt seit jeher die Übersetzung und hier auch die literarische Übersetzung einen zentralen Platz ein in der Beschreibung ihrer relevanten Gegenstände Daher setzt sich der Band zum Ziel interkulturelle Probleme der Übersetzung des Übersetzens der Übersetzerausbildung der translatorischen Theorie und Praxis insgesamt in ihrem ganzen Facettenreichtum zum Gegenstand der Diskussion zu machen und aus den unterschiedlichsten Perspektiven zu beleuchten Dazu gehört z.B. nicht nur die Diskussion der Frage was eigentlich deutsch sei an der deutschsprachigen Literatur der Gegenwart ob und vielleicht inwiefern sie wirke oder wirken könne als Indikator gesellschaftlicher Veränderungsprozesse sondern auch eine kritische Erörterung des gegenwärtigen Stands und der sich abzeichnenden Probleme in der Ausbildung des Übersetzer Nachwuchses an den Universitäten und Hochschulen

**Übergänge. Zwischen Künsten und Kulturen** Henriette Herwig, 2007-09-21 Heine und Schumann im Wechselspiel von Literatur und Musik Ausgehend von den vielen Berührungspunkten im Schaffen und Wirken der beiden Romantiker haben Experten Beziehungen zwischen Musik Bild und Literatur Kunst und Kulturkritik neu untersucht und eine Fülle überraschender Erkenntnisse formuliert
