The Arc of Love Aaron Ben-Ze'ev, 2019-06-11 Is love best when it is fresh For many the answer is a resounding yes The intense experiences that characterize new love are impossible to replicate leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings Aaron Ben Ze ev takes these experiences seriously but he s also here to remind us of the benefits of profound love an emotion that can only develop with time In *The Arc of Love* he provides an in depth philosophical account of the experiences that arise in early intense love sexual passion novelty change as well as the benefits of cultivating long term profound love stability development calmness Ben Ze ev analyzes the core of emotions many experience in early love and the challenges they encounter and he offers pointers for weathering these challenges Deploying the rigorous analysis of a philosopher but writing clearly and in an often humorous style with an eye to lived experience he takes on topics like compromise commitment polyamory choosing a partner online dating and when to say I love you Ultimately Ben Ze ev assures us while love is indeed best when fresh if we tend to it carefully it can become more delicious and nourishing even as time marches on
