Sexual Abuse In Christian Homes And Churches:

Sexual Abuse in Christian Homes and Churches Carolyn Holderread Heggen,1993 What sets this book apart from the many others on the topic is the emphasis on how a church congregation can begin to work to heal the wounds of sexual abuse and prevent further abuses from happening Church members often must at the same time offer love understanding and healing to survivors while confronting and still loving the perpetrator Responding to Abuse in Christian Homes Nancy Nason-Clark,Catherine Clark Kroeger,Barbara Fisher-Townsend,2011-03-04 Domestic abuse is a horror It lurks beneath the surface of our collective existence sometimes raising its ugly head where least expected in the church or within families of faith Are we individually or collectively ready to respond What can or should congregations and their pastoral leaders do And as we survey the Christian landscape across the United States and Canada are we as the community of faith stepping up to the challenge presented by violence in the family There is no easy answer to the problems that surface when abuse impacts the Christian family But each of the authors contributing to this volume believes fervently that it is imperative that followers of Jesus and their spiritual shepherds respond to the cries for help To respond well necessitates both knowledge and a willingness to act This book is here to help It represents a collective effort to bring all of us a step farther in our journey of walking with Christ over a sea of troubled waters None of us know as much as we should but all of us can learn from one another Throughout the collection we provide an opportunity to examine a diversity of perspectives with the hope that each will in some way advance our understanding of the complexity of domestic violence issues in our midst within our churches and the communities where our churches minister The Sexual Abuse of Women by Members of the Clergy Kathryn A. Flynn,2010-07-27 The sexual abuse and exploitation of women by members of the clergy is not a new issue What is new is the public s growing understanding of what is involved when members of the clergy ignore or repeatedly fall short of legal and ethical requirements to adhere to the expected standards of conduct This work is based on the author s study of 25 women from 11 states who were sexually abused by members of the clergy A primary goal of the study was to help the violated women understand their experiences and make available to educators practitioners and others concrete information about what it means to be sexually exploited by a trusted religious representative The author also considers the viability of a trauma model to study the impact of such sexual abuse on women and on their relationships with others and presents her findings that the participants did exhibit symptoms that strongly correspond with the classical and complex trauma criteria used **God and the Victim** Jennifer Erin Beste,2007-09-28 How does severe interpersonal harm affect our freedom and the ways in which we relate to ourselves others and God This book addresses the challenges that trauma and feminist theory pose to cherished theological convictions about human freedom and divine grace *Push Back the Dark* Elizabeth M. Altmaier,2017-01-09 Adults in your church small group or other Christian organization are silently suffering the tragic consequences of having been sexually abused as children or youth Why aren t they coming forward for help Their reluctance

may be related to wounds given by the faithful religious people they trusted who said things like well it wasn't rape or it's been thirty years why is this such a big deal Such responses from people with religious authority deepen victims need to shrink into anxiety depression and self degradation This book offers you the tools needed to undertake caring ministry to adults suffering in the aftermath of childhood sexual abuse Once you understand the scientific research on such topics as trauma memory consequences of abuse and forgiveness you will appreciate how caring collaboration can create hope and healing In these pages every reader will find helpful content that will take you from feeling out of your depth to knowing you are empowered to be an effective companion in God's transforming work in the lives of survivors of abuse Disarming the Church Eric A. Seibert, 2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently What can be done to transform the church so that it looks more like Jesus Eric Seibert explores these questions in this important and timely study He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence warfare and killing Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict correct injustice and stop oppression without resorting to violence Many nonviolent alternatives are discussed throughout the book alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power In a world filled with so much violence hate and fear alternatives like these are desperately needed This book offers hope that a better way is possible one that has the potential to transform the church and change the world So read on and join in Strengthening Families and Ending Abuse Nancy Nason-Clark, Barbara Fisher-Townsend, Victoria Fahlberg, 2013-06-04 Strengthening families of different varieties and ending abuse in the myriad of forms through which it surfaces is God's way of bringing peace and safety to Christian homes across the world We challenge congregations their leaders and the men women and youth who faithfully support them to consider their personal role in bringing this vision inspired by the Scriptures into reality Together our voices can be strong We are united in our belief that every home should be a safe home every home a shelter from the storms of life every home a place where we are supported treated with respect and dignity and every home a place where men and women are encouraged to be all they can be It is a tall order It is a dream to guide our personal conduct and to measure our congregational and community life We are far from reaching this goal but toward it we strive Adult Survivors of Incest/childhood Sexual Abuse, 1997 Daughters of Sarah, 1994 Church & Synagogue Libraries, 1992 Women & Men Carol Penner, 1998 Men and women writers tackle subjects of importance to the church today including such topics as what the Bible has to say about gender ways to create homes and relationships that value men and women equally the intersection of gender and race and how to raise children in nonsexist ways Discussion questions follow each chapter Gender, Violence, and Justice Pamela Cooper-White, 2019-03-20 Gender Violence and Justice is a volume of collected essays by an expert in the field of violence against women and pastoral theology It represents over three decades of research

advocacy and pastoral theological reflection on the subject of sexual and domestic violence Topics include intimate partner violence sexual abuse and trauma and clergy sexual misconduct controversial theological issues such as forgiveness and as well positive frameworks for fostering well being in families church and society Framed by a foreword and an introduction that place this work in the context of new and contemporary challenges in theory and practice these essays show an evolution of issues and frameworks for theology care and activism arising over time from the movement to end violence against women both within and beyond religious communities while at the same time demonstrating an unchanging core commitment to gender justice

Heterosexism in Contemporary World Religion Marvin Mahan Ellison, Judith Plaskow, 2007 Homosexuality is not a problem heterosexism is and heterosexism is often supported by religious statements and practices against sexual minorities Heterosexism in Contemporary World Religion seeks to draw out strands in each major religion that are antidotal to such practices and attitudes Book jacket

The Churches Speak On--sex and Family Life J. Gordon Melton, 1991 Herald of Holiness , 1997 Contemporary Religious Ideas G. Edward Lundin, Anne H. Lundin, 1996 Twelve experts address contemporary religious issues and literature in this fascinating group of bibliographic essays that cut across faith and denominational boundaries The result is an enlightening overview of organized religion and spirituality today Topics include the African American Church ecology and religious responsibility spirituality and aging fiction for the faithful feminism and theology Judaism Islam Latin American liberation theology developing a church library and world religions Designed for collection development librarians pastors rabbis and religious study group leaders this collection offers an introduction to each subject covered and lists resources for further study

Accountable Leadership Paul Chaffee, 1993 This book is a guidebook for leaders of local congregations both clergy and laity The book reviews ethical legal and financial issues shared by congregations in all religious traditions The material is applicable to liberal and conservative congregations to Christian Jewish Muslim and Buddhist communities of faith Raising numerous issues the book offers basic suggestions and recommends resources for additional information

Christianity and Child Sexual Abuse Hilary Cashman, 1993 Based on interviews with abuse survivors and child care professionals this is a book for all concerned about the Church's response to the continuing scandal of child abuse in Britain That response claims Hilary Cashman has so far been woefully inadequate

Through the Eyes of Women Jeanne Stevenson Moessner, 1996 A comprehensive survey of care of women by women from a religious standpoint results from the collaboration of nineteen leading women in the field of pastoral care Subjects include the role of women in pastoral theology and pastoral care care of African American women and of women entering ministry The book treats anger aggression lesbian identities loss of mothers eating disorders hysterectomy mastectomy rape and older women's issues The volume concludes with women's spiritual care community self sacrifice and self denial
