**Sexual Bargaining in the Digital Era** John H. Scanzoni, 2021-10-05 Sexual Bargaining in the Digital Era follows the evolution of genders sexualities and so on away from their Old Normal ON pattern which prevailed during the Agricultural Age and the Industrial Age and into the New Normal NN pattern which is currently surfacing in concert with an emerging Digital Era ON was based on the ancient traditional script governing how women men children ought to behave within the spheres of genders marriages families relationships sexualities Over the centuries ON eventually modified into the familiar 1950s style nuclear patriarchal cisgender husband wife with children and family And now that style itself is fading away into NN NN is based not on script but on improvisation it is essentially a continual work in progress To make it function the partners engage in ongoing negotiation governed by the principle that everything is negotiable except the principle that everything is negotiable NN has thus far been pursued most frequently by persons New Lights who are educated and relatively advantaged ON has been pursued mostly by persons Old Lights who are less educated and relatively less advantaged ON is also strongly embraced by persons of a traditional religious bent persons who tend to be rigid and unbending in their religious views Currently they tend to be extremely right wing evangelicals and extremely right wing Catholics Importantly their political clout far exceeds their relatively modest numbers within the larger population In brief the shift from ON to NN is a move away from the sanctity of a particular structure to the primacy of persons engaged in ongoing processes of inventing and reinventing certain arrangements of genders marriages families relationships sexualities enabling them to fulfil their needs for primary intrinsic emotional satisfactions such as liking loving empathy companionship sexual and so forth Among other things this shift replaces the preeminence of the historic binary or cisgender approach heterosexual legal children and so on in favor of the diversity variety multiplicity approach which incorporates under one conceptual umbrella all persons of whatever genders sexualities and so on All persons are thus engaged in a common struggle to achieve personal satisfactions as well as contribute to the Greater Good      Sexual Bargaining: Power Politics in the American Marriage John H. Scanzoni, 1972      **For Richer, For Poorer** Demie Kurz, 2013-12-02 For Richer For Poorer provides a new perspective on the impact of divorce on women Based on interviews with a random sample of divorced mothers this book identifies their real concerns inadequate resources from their ex husbands and the state and unequal social policies Presenting accounts of how they manage the divorce process divorced women of diverse background describe their attempts to rebuild their own lives and those of their families Demie Kurz proposes a reversal of policies which penalize the single parent family by failing to provide mothers and children with adequate resources      *Thinking About the Family* R. D. Ashmore, D. M. Brodzinsky, 2014-02-24 First published in 1986 Over the past decade and a half the rising divorce rate coupled with other changes in family life has led some observers to conclude that the traditional nuclear family today is analogous to a species of dinosaur facing an inevitable Ice Age and with it extinction During this recent period of social

upheaval in which the American family has undergone considerable change there has been an exciting upswing in research on the family and the introduction of novel perspectives for seeking to understand this most important societal institution This volume brings together the writings of a set of researchers who represent one of these emerging approaches

**Human Behavior in the Social Environment** John F. Longres,1995 *American Bookseller*,1981 Sourcebook of Family Theories and Methods Pauline Boss,William J. Doherty,Ralph LaRossa,Walter R. Schumm,Suzanne K. Steinmetz,2008-11-19 Origins We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i e sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family edited by Harold Christensen and published in 1964 the two Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production **Cross-class Families** Veronica Jaris Tichenor,1996 Discussion Papers Judith A. Seltzer,1988 **Families Under Stress** Stewart Crysdale,1991 Families Under Stress explores the adaptation of families in a downtown community to changes in the work and community environment over a period of nearly twenty years The author looks at changes in job satisfaction social mobility family work tension marital discord sex roles education religious and community ties race relations and political participation The study has important implications for public policy with respect to education employment community organization and the provision of community services **Publications** University of Michigan. Institute for Social Research, Equal Time Genevieve Grafe Marcus,Robert Lee Smith,1982-05 *Woman in a Man-made World* Nona Yetta Glazer,1977 General history of the issues of equal rights for women in America Social Exchange in Developing Relationships Robert Lee Burgess,Ted L. Huston,1979 Social Exchange in Developing Relationships is a collection of papers that deals with the systematic study of the development of relationships The papers discuss several theoretical perspectives such as evolutionary theory personality theory cognitive developmental theory equity theory role theory and attribution theory One paper discusses romantic relationships the evolution of first acquaintance to close or intimate commitment Another paper presents the hypothesis that the factors causing a relationship to begin will also probably steer intermediate cognitive processes eventually influencing the nature of the relationship Commitment requires specific concepts such as input levels contributed to the relationship duration of these inputs and their consistency of occurrence The equity theory suggests that equity principles determine the selection of one's mate and how they the partners will get along in the future One paper analyzes the dynamic theories of social relationships and the resulting

research strategies that the conceptualization of a parameter of a social relationship can affect the choice of data collection techniques and other matters Sociologists psychologists historians students and academicians doing sociological research can benefit greatly from this collection      **Frameworks for Studying Families** Chester A. Winton,1995      **Guide to Reprints** ,2009      *The Bookseller* ,1982      **Women** Jo Freeman,1995 This work contains original essays from various authors providing up to date information along with critical analysis of important issues in women s studies Historical issues are fully integrated into articles and tied to current events      Handbook of Feminist Therapy Lynne Bravo Rosewater,Lenore E. Walker,1985      *Recast Dreams* D. W. Livingstone,John Marshall Mangan,1996 Based on the Steelworker Families and Hamilton Families Projects D W Livingstone and Marshall Mangan revise the materialist approach to group consciousness employing a Marxist Feminist perspective to discuss practices in the household sphere and the production of goods and services in the paid workplace
