Reinstädler,1996 **Sexual Sameness (Routledge Revivals)** Joseph Bristow,2014-03-18 First published in 1992 Sexual Sameness examines the differing textual strategies male and female writers have developed to celebrate homosexuality Examining such writers as E M Forster James Baldwin Sylvia Townsend Warner and Audre Lourde this wide ranging book demonstrates how literature has been one of the few cultural spaces in which sexual outsiders have been able to explore forbidden desires From the humiliating trials of Oscar Wilde to the appalling stigmatisation of people living with AIDS Sexual Sameness reveals the persistent homophobia that has until recently almost completely inhibited our understanding of lesbian and gay writing In opening up homosexual literature to informed and objective methods of reading Sexual Sameness will be of interest to a large lesbian and gay readership as well as to students of gender studies literary studies and the social sciences *An Introduction to Queer Literary Studies* Will Stockton,2022-11-01 An Introduction to Queer Literary Studies Reading Queerly is the first introduction to queer theory written especially for students of literature Tracking the emergence of queer theory out of gay and lesbian studies this book pays unique attention to how queer scholars have read some of the most well known works in the English language Organized thematically this book explores queer theoretical treatments of sexual identity gender and sexual norms and normativity negativity and utopianism economics and neoliberalism and AIDS activism and disability Each chapter expounds upon foundational works in queer theory by scholars including Michel Foucault Eve Kosofsky Sedgwick and Lee Edelman Each chapter also offers readings of primary texts ranging from the highly canonical like John Milton s *Paradise Lost* to more contemporary works of popular fiction like Stephen King s *Salem s Lot* Along the way *An Introduction to Queer Literary Studies Reading Queerly* demonstrates how queer reading methods work alongside other methods like feminism historicism deconstruction and psychoanalysis By modelling queer readings this book invites literature students to develop queer readings of their own It also suggests that reading queerly is not simply a matter of reading work written by queer people Queer reading attunes us to the queerness of even the most straightforward text

Truth, Power and Lies Tom Inglis, 2003 The finding of two dead babies within the space of a fortnight in County Kerry in 1984 is an extraordinary story that rocked Catholic Ireland The Kerry Babies Case is still unresolved with many unanswered questions Did Joanne Hayes have twins Did the Gardai the Irish police intimidate her family into confessing their involvement in the murder of one of the babies The Tribunal which examined the case largely exonerated the Gardai and blamed the family yet as a result of the case the Murder Squad was disbanded and a Garda Complaints Board established Tom Inglis in his detailed analysis of the case explains that it is obviously important to retell the story because justice might not have been done But he goes further to explain how the case is an important part of understanding how the second half of 20th century Ireland saw a transition from a traditional rural conservative and Catholic society to the modern urban liberal

and secular one which is emerging today In particular the case represents a watershed for the position of women in Irish society many were motivated to protest for the first time *Masochism* Nick Mansfield,1997-01-21 How does the male masochist provide a metaphor for modern and postmodern power Present orthodoxy understands masculine power as invested in unity identity presence and technology In this provocative work however Mansfield challenges our fundamental assumptions about masculine power in the postmodern era Utilizing representations of masochism in literature psychopathology philosophy and cultural theory the author argues that masculine power can now best be understood as masochistic **Als wenn Du mein Geliebter wärest** Angela Steidele,2003 Texte zur Kunst ,1995 **Modern Drama** ,2001 **Recherches Théâtrales Au Canada** ,2003
