Thomas R. Dye,1996 Through six successful editions of *Power and Society* Thomas R Dye has encouraged readers to pursue  
their interests in the social sciences by illustrating how important these disciplines are to understanding many conditions of  
our lives As Dye introduces readers to the central concepts of sociology anthropology economics political science history and  
psychology he links elements of these disciplines through a dynamic and unifying theme the manifestation of power in society  
With this idea in mind readers gain a real sense of social scientists interests as they explore power in the context of social  
problems such as racism sexism poverty crime violence urban decay and international and ideological conflict Dye s  
presentation includes analyses of social science research studies and the contributions of masters of social thought such as  
Bertrand Russell Karl Marx Sigmund Freud and Martin Luther King Jr Evocative discussions are enhanced with case studies  
and cross national perspectives to highlight critical ideas including the power and society theme The approach of learning to  
understand power as an integral part of our social world continues with great impact in this seventh edition Among the new  
topics readers will find how men and women view their relations today evolutionary psychology the mating game the burdens  
of government debt Native Americans an historical overview social scientists look at sex in America treating mental illness a  
brief history of the cold war the long history of women s protests sexual harassment and the law and should we limit the  
terms of Congress members BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
