Confronting Child and Adolescent Sexual Abuse Cynthia Crosson-Tower, 2014-01-30 Confronting Child and Adolescent Sexual Abuse is the first text to examine the history theory treatment and prevention of this complex phenomenon With in depth insights into the psychologies of victims their families and the perpetrators this comprehensive text shows readers how to recognize the symptoms and impact of childhood sexual abuse critically engage with the unique nature of each case complete a thorough assessment develop a treatment plan and effectively intervene in critical situations A national expert on child abuse and neglect and the author of numerous books and publications Cynthia Crosson Tower addresses a wide range of special topics and helps readers prepare for working in this challenging professional field **Child Abuse and Neglect E-Book** Carole Jenny, 2010-09-15 Child Abuse and Neglect Diagnosis Treatment and Evidence focuses attention on the clinical evidence of child abuse to help you correctly diagnose and treat such cases in your own practice This unique well illustrated clinical reference provides new insights into the presentation and differential diagnosis of physical abuse a look at shaken baby syndrome sex offenders and abuse in religious organizations information on the biomechanics of injury and more Great for general review as well as clinical reference it s also ideal for those taking the American Board of Pediatrics new subspecialty board exam in Child Abuse Pediatrics Identify an abusive injury and treat it effectively by reviewing evidence and critical analyses from leading authorities in the field Recognize the signs of shaken baby syndrome sex offenders and abuse in religious organizations Understand the biomechanics of injury to determine whether abuse was truly the cause of a child s injury View illustrations that show first hand examples of child abuse or neglect

Psychoanalysis and Society's Neglect of the Sexual Abuse of Children, Youth and Adults Arnold Rachman, 2021-11-15 This book takes a comprehensive look at the understanding and treatment of child sexual abuse in psychoanalytic theory and practice and in society as a whole This book demonstrates how prophetic Ferenczi s ideas about sexual abuse and trauma were and how relevant they are for contemporary psychoanalysis and society Sexual abuse its traumatic effect and the harm caused to children youth and adults will be described in the neglect of confronting sexual abuse by psychoanalysis and society This neglect will be discussed in chapters about the abuse of children by religious leaders students by teachers youth in sports by coaches and aspiring actors by authorities in the entertainment industry It covers key topics such as why there has been silence about abuse in psychoanalysis psychoanalytic theories and practices that can be counterproductive or even harmful case studies of abuse in the wider community and how psychoanalysis as a profession can do better in its understanding and treatment of child sexual abuse both in psychoanalytic treatment and in its interaction with other parts of society This book appeals to all psychoanalysts and psychoanalytic psychotherapists as well as scholars interested in the history of psychoanalysis **Long-range Effects of Child and Adolescent Sexual Experiences** Allie C.

Kilpatrick, 2014-06-03 Making a unique contribution of placing the current sexual exploitation of children and adolescents

firmly in its historical context this book looks at the family's and society's roles in child and adolescent sex abuse Unlike most previous studies this study allows a range of responses from negative to positive and avoids the methodological problems inherent in many other studies Most studies combine the age groups of children and adolescents whereas this study separates these different age groups and compares the nature and outcome of sexual experiences of children with those of adolescents Utilizing sophisticated analytical measures the author's findings repudiate many commonly held assumptions and serve to calm current hysteria regarding sexual abuse of minors Written to disseminate findings that could be helpful in realistically confronting the phenomenon of human sexuality the results presented in this book dispel many current myths about early sexuality including ethnic differences The author wanted to separate scientific inquiry from the perpetration of pervading mores or social norms and identify the real menaces to healthy adult functioning
