Sexual Intimacy Between Therapists And Patients:

Sexual Intimacy Between Therapists and Patients Kenneth Pope, Jacqueline C. Bouhoutsos, 1986-09-05 Sexual attraction to a patient is an all but universal experience in therapy and one that is an all but universally avoided topic of discussion among therapists _Sexual Intimacy Between Therapists and Patients_ faces this complex and painful issue squarely The authors themselves experienced clinicians and researchers draw together clinical studies first hand accounts national surveys legislation and case law ethical standards popular literature and their own carefully gathered evidence in order to provide all of the information currently available on patient therapist intimacy In this book Pope and Bouhoutsos outline the varieties of sexual abuse and describe the at risk patient as well as the at risk therapist They offer guidance on how to treat a patient who has been sexually abused by a former therapist And they cover the broader social dimensions of the issue including recommending changes in the education of health professionals and the role played by the legal system

Clinical Psychiatry and the Law Robert I. Simon, 2003-07-01 Updates to this edition Clinical and legal issues in the use of clozapine in treatment of schizophrenia Clinical information and new cases involving tardive dyskinesia Changes in civil and criminal law regarding right to refuse treatment An update of clinical guidelines and legal regulations of ECT An update on suicide risk assessment and new legal cases involving suicide An update on violence risk assessment and new legal cases involving the duty to protect endangered third parties New statutes and criminal sanctions regarding sexual misconduct New statutes limiting the liability of therapists toward third parties who are injured or killed by patients Changes in the relationship between psychiatrists and nonmedical therapists Regulatory developments regarding physician impairment Numerous tables and an updated glossary of legal terms New section on common terms and abbreviations in legal citations

Therapists Who Have Sex With Their Patients Herbert S. Strean, 2018-10-24 First published in 1994 Therapists who use and abuse their power make for high talk show ratings and tabloid sales but are these people simply to be written off as sick and evil Dr Herbert Strean believes not In this unflinchingly honest book Dr Strean who has treated such abusive caregivers many times in his practice seeks to create a more humane portrait of therapists who have affairs with their patients Central to the book are four fascinating case studies of therapists Ronald S is a heterosexual psychiatrist with homosexual fantasies who wants to be a woman with his own male therapist Roslyn M is a therapist who administers love treatment in the therapy room and charges for it Bob W is a promiscuous sex addict who thinks despite his physical unattractiveness that all his women patients hunger for him Al G is a sadomasochistic social worker who makes his female ex patients suffer These cases give voice to the feelings fantasies and dreams of therapists who have crossed the boundary Through them we come to understand that it is treatment not punishment that will prevent others from falling prey to healers who are them selves in desperate need of healing

Inappropriate Relationships Robin Goodwin, Duncan Cramer, 2005-04-11 In one of the great euphemisms of our time an embattled President Clinton admitted to an inappropriate relationship with his White House

intern Monica Lewinsky But what exactly is an inappropriate relationship For that matter what is an appropriate relationship And how can an understanding of the rules of appropriateness help us understand personal relationships in our modern world Contributors to this book discuss the personal boundaries and taboos of modern relationships Together they examine the power struggles that can occur when individuals are involved in inappropriate relationships and the ways individuals in such a relationship may attempt to buffer themselves against sanctions or even embrace this relationship as an agent of social change Representing work from a range of disciplines this collection will appeal to scholars researchers students and professionals working on relationships issues in areas across the social sciences including those working in the fields of social psychology family studies social anthropology cultural studies and communication

Abuse of the Doctor-Patient Relationship Fiona Subotsky, Susan Bewley, Michael Crowe, 2010-11 The doctor patient relationship is fraught with risk Patients may be at risk from a doctor who misuses their position of authority or is unclear where the appropriate boundaries lie Doctors risk disciplinary or criminal proceedings when this happens This book aims to address these risks to assist clinicians in their daily relationships with patients and to improve patient safety The authors examine the ethical principles and how these may be taught prevalence of abuse regulation and sanctions management and governance remediation and the roles of the different organisations that may be involved such as the General Medical Council and medical protection societies This is a practical guide to help clinicians avoid boundary violations and improve patient safety
