Sexual Pleasures What Women Really Want What Women Really Need:

Sex, Morality, and the Law Lori Gruen, George E. Panichas, 1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company **Date Rape** Leslie Francis, 2010-11-01 Date Rape is a remarkable contribution to the field of feminist thought For anyone who wishes to better understand why date rape IS rape this book is a necessary read I am convinced that Date Rape will enable all of my students to better distinguish between each other s maybes yeses and nos

Crafting the Witch Heidi Breuer, 2009-05-05 How did the witch become wicked This is the central question of Crafting the Witch which documents and analyzes the gendered transformation of magical figures that occurred in Arthurian romance as it developed from its earliest continental manifestations in the twelfth century to its flowering in fifteenth and sixteenth century England

The Etherized Wife Leslie Margolin, 2021 The Etherized Wife provides a comprehensive examination of the evolution of sex therapy through the prism of gender The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men s expectations What is particularly striking about this bias is that it contradicts therapists overt identification with feminism and the battle against women s inequality To support these claims Leslie Margolin maps a series of case studies drawn from the discipline s own literature the articles and books that have been and continue to be treated as exemplars of the discipline s collective consciousness Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less the book shows how therapists have favoured the man s side The Etherized Wife shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal natural healthy sexuality

Sexual Pleasures Susan Crain Bakos, 1992 Based on case studies and interviews with more than eight hundred seventy women this study explores a wide variety of questions that women have on their minds regarding sexuality **Spreading Misandry** Paul Nathanson, Katherine K. Young, 2001 Paul Nathanson and Katherine Young argue that men have routinely been portrayed as evil inadequate or as honorary women in popular culture since the 1990s These stereotypes are profoundly disturbing the authors argue for they both reflect and create a hatred and thus further fracture an already fractured society In Spreading Misandry they show that creating a workable society in the twenty first century requires us to rethink feminist and other assumptions about men The first in an eventual three part series Spreading Misandry offers an impressive array of evidence from everyday life case studies from movies television programs novels comic strips and even greeting cards to identify a phenomenon that is just now being recognised as a serious cultural problem Discussing misandry the sexist counterpart of misogyny the authors make clear that this form of hatred must not be confused with reverse sexism or anger and should neither be trivialised nor excused They break new ground by discussing misandry in moral terms rather than purely psychological or sociological ones and refer critically not only to feminism but to political ideologies on both the left and the right They also illuminate the larger context of this problem showing that it reflects the enduring conflict between

the Enlightenment and romanticism inherent flaws in postmodernism and the dualistic us versus them mentality that has influenced Western thought since ancient times A groundbreaking study Spreading Misandry raises serious questions about justice and identity in an increasingly polarised society It is important for anyone in interested in ethics gender popular culture or are just concerned about the society we are creating Spreading Misandry does make a convincing argument that since the 1990s Men have become society s official scapegoats and held responsible for all evil Women are society s official victims and held responsible for all good Independent on Sunday 4 August 2002 **McCall's** ,1991-10 **How to Solve Our Social Problems** Howard Putnam,1997 **Sex for Women who Want to Have Fun and Loving Relationships with Equals** Carmen Kerr,1978 The Saturday Review of Politics, Literature, Science and Art ,1872 **The Ladies' Home Journal** Louisa Knapp,Edward William Bok,1895 *The New Century for Woman* ,1876 *Like Our Very Own* Julie Berebitsky,2000 A fascinating chapter in American social and cultural history Like Our Very Own offers compelling evidence of the role that adoption has played in our evolving efforts to define the meaning and nature of both motherhood and family
