Robertson,2021-12-08 One of the most fiercely debated topics in modern Christianity centers on the inclusion of sexual and gender minorities into the full life of the church Dozens of scholars have stepped forward seeking to make a compelling case for LGBT inclusion based on their contextualized reading of the six traditional passages that refer to homosexuality in Scripture But these arguments alone fall short of providing a comprehensive framework for radical inclusion of LGBT people In The Gospel of Inclusion pastor and public theologian Brandan Robertson offers a compelling assessment of the biblical texts cultural context and modern social movements to suggest that the entire thrust of the Christian gospel calls the church towards the deconstruction of all oppressive systems and structures and towards the creation of a world that celebrates the full spectrum of human diversity as a reflection of God's creative intention **Unchanging Witness** S. Donald Fortson,Rollin G. Grams,2016-02-01 In Unchanging Witness Donald Fortson and Rollin Grams articulate the consistent orthodox view historically held everywhere

culture that sweats sensuality from its pores A man today can't escape the temptations to sexual sin that come to him via TV billboards magazines and provocatively dressed women He can run but he can't hide The world he lives in is saturated with sexual temptations This book seeks to come face to face with the growing problem in the church today sexual purity has become a major concern in homes churches and in the hearts of men across the country This book will provide keys to unlocking freedom in the fight for purity Tony Evans Speaks Out on Sexual Purity Tony Evans,2000-10-24 Morality Relativity Right and Wrong These are the complicated issues we face today Everyone has an opinion but who has the answer Tony Evans refuses to let the voice of God be drowned out amidst the clamor of the crowd **Sexual Purity** Tony Evans,2000-10-24 Morality Relativity Right and Wrong The issues we face are complicated and everyone has an opinion But who has the answer when it comes to sexual issues Sex dominates our popular culture to a degree we've never seen before and unrestricted sex is being touted as a shortcut to personal fulfillment and satisfaction but it's a counterfeited and cheapened imitation of the real thing Respected pastor Tony Evans refuses to let the voice of God be drowned out amidst the clamor of the crowd Discover what God says in His word regarding why your sexuality is important and why sexual immorality is devastating Discover how to maintain purity and enjoy true intimacy in marriage the real fulfillment and satisfaction that God intended **Religion and Sexual Health:** R.M. Green,2013-03-14 Religious beliefs and attitudes have long been recognized as playing an important role in sexual functioning but the relationship between religion and sexual behavior has rarely been studied in a comprehensive way The essays in this volume bring the views of sex counsellors therapists theologians and bioethicists to bear on the relationship between religion and sexuality A major theme emerging from these essays is that religion and counselling need to learn from one another Religious traditions at the popular or theological levels are often marked by ignorance and misinformation about sexuality and can benefit by the insights of those who work closely with patients in medical and counselling settings Counsellors in turn need to develop a sensitivity to past and present religious attitudes toward sexuality in order to assist their patients achieve sexual health *The Road to Sexual Purity* T.
