Sexual Scene:

Framing the Sex Scene: A New Take on Israeli Film History Naomi Rolef, 2021-02-22 This book retells the history of Israeli film in the 1960s and 1970s in sex scenes Through close readings of the first sex scenes in mainstream Israeli movies from this period it explores the cultural and social contexts in which these movies were made More specifically it discusses how notions of collective identity individual agency and the public and private spheres are inscribed into and negotiated in sex scenes especially in light of the historical events that marked these decades This study thus pushes away from the traditional academic perception of Israeli film and opens up new ways of understanding how it has developed in recent decades It draws on a growing international body of academic literature on the cinematic representation of sex in order to illuminate the particularities of the Israeli context in the 1960s and 1970s Apart from film scholars and scholars of Israeli film this study also addresses readers interested in Israeli cultural history more broadly

Sex Scene Eric Schaefer, 2014-03-21 Sex Scene suggests that what we have come to understand as the sexual revolution of the late 1960s and early 1970s was actually a media revolution In lively essays the contributors examine a range of mass media film and television recorded sound and publishing that provide evidence of the circulation of sex in the public sphere from the mainstream to the fringe They discuss art films such as *I am Curious Yellow* mainstream movies including *Midnight Cowboy* sexploitation films such as *Mantis in Lace* the emergence of erotic film festivals and of gay pornography the use of multimedia in sex education and the sexual innuendo of *The Love Boat* Scholars of cultural studies history and media studies the contributors bring shared concerns to their diverse topics They highlight the increasingly fluid divide between public and private the rise of consumer and therapeutic cultures and the relationship between identity politics and individual rights The provocative surveys and case studies in this nuanced cultural history reframe the sexual revolution as the mass sexualization of our mediated world Contributors Joseph Lam Duong Jeffrey Escoffier Kevin M Flanagan Elena Gorfinkel Raymond J Haberski Jr Joan Hawkins Kevin Heffernan Eithne Johnson Arthur Knight Elana Levine Christie Milliken Eric Schaefer Jeffrey Sconce Jacob Smith Leigh Ann Wheeler Linda Williams
